**Indiana Association of Cities and Towns Announces 2015 Green Communities**

FRENCH LICK, IN. – The Indiana Association of Cities and Towns (IACT) announced today which Indiana communities obtained designation as an IACT Green Community. The cities and towns of Cicero, Fishers, Union City and Whiting will receive their awards during the IACT Annual Awards Luncheon presented by Umbaugh, Sept. 30, at 11:30 a.m. during the 2015 IACT Annual Conference & Exhibition in French Lick.

IACT launched the Green Communities Initiative in 2008 in conjunction with Christopher B. Burke Engineering, Ltd., to identify potential cost savings to communities facing budget shortfalls, promote economically competitive quality of life concepts, and ultimately serve as role models for citizens while better protecting our environment. The initiative will expand educational opportunities for municipalities and create a consolidated clearinghouse of data and programs that can be accessed by municipalities.

“This is a fantastic program that allows cities and towns to showcase their hard work and commitment to smart, efficient practices. The survey these communities complete is extremely comprehensive and gives a great deal of credibility to the Green Community designations.” said IACT Executive Director and CEO Matt Greller.

Representatives from participating cities had to fill out a 51-question survey in the areas of purchasing, operations, measuring success, and sample projects. Each community met the minimum score required to be designated an **IACT Green Community**.

The Indiana Association of Cities and Towns (IACT) is a coalition of municipal officials who seek to improve the quality of life in Indiana through effective government, and is a member of the National League of Cities. Founded in 1891, IACT is one of the oldest state municipal organizations in the country, with 470 cities and towns as members. IACT advocates for municipalities as the official voice of municipal government in Indiana, and promotes good government through education, training and leadership.
