Prepared by: Rhonda Cook  
Report created on January 11, 2019

HB1002

CAREER AND TECHNICAL EDUCATION MATTERS (SULLIVAN H) Establishes the career coaching grant program and fund. Provides that the governor's workforce cabinet (cabinet) shall administer the grant program and fund. Provides that the skills enhancement fund may be used to support cooperative arrangements between school corporations or charter schools and businesses if the cooperative arrangement leads to: (1) a postsecondary credential for a new hire; or (2) an increase of wages and a postsecondary credential for an incumbent employee. Provides that the cabinet shall receive, distribute, and account for all funds received for career and technical education under the Carl D. Perkins Vocational and Applied Technology Act. Increases, from \$500 to \$1,000, the maximum work Indiana grant amount that may be awarded. Provides that a teacher who teaches a career or technical education course may be eligible to receive a pay supplement. Provides that each school in a school corporation and each charter school shall submit as part of a school's improvement plan to the department a summary of how the school will implement the career standards curriculum. Provides that the department of education (department) shall review the submitted plans every two years and may review a plan at random to review the relevancy of the plan to the changing economy. Provides that the department shall assist schools in incorporating best practices regarding the career curriculum from around the state. Provides that each student is required to enroll, in either grade 9 or grade 10, in either: (1) a course to prepare the student for college or a career; or (2) an introductory level career and technical education course. Provides that a graduation plan should include the postsecondary goals of the student. Provides that a contract between a career and technical education center and a school or school corporation is a public document under Indiana's open door law. Provides that a school corporation that has entered into an agreement for a joint program of career and technical education may add a new career and technical education course to its curriculum without being approved by the joint program board or the governing body overseeing the joint program if the course is being offered in partnership with certain entities that are eligible to receive funding under the federal Workforce Innovation and Opportunity Act (WIOA) and are listed on the department of workforce development's (DWD) eligible training provider list on the DWD's Internet web site. Makes changes to the career and technical education funding formula. Provides that the next level jobs employer training grant program is established to provide grants to reimburse training costs to employers for newly trained employees which leads to: (1) a postsecondary credential for a new hire; or (2) an increase of wages and a postsecondary credential for an incumbent employee. Provides that a workforce ready grant may be used at a state educational institution. (Current law provides that a workforce ready grant may be used at Ivy Tech Community College or Vincennes University.) Resolves a conflict between HEA 1074-2018 and HEA 1002-2018. Provides that if the general assembly appropriates money to the DWD for career and technical education innovation and advancement in the biennial state budget for state fiscal years beginning July 1, 2019, and ending June 30, 2021, the DWD shall allocate \$20,000,000 from money appropriated to the DWD for career and technical education innovation and advancement for purposes of providing next level jobs employer training grants. Makes appropriations. Makes technical corrections.

HB1003

SCHOOL CORPORATION EXPENDITURE TARGETS (DEVON D) Requires the education employment relations board to annually prepare, publish, and submit a report to the budget committee and the legislative council that covers various employment information for school employees. Provides that a school corporation shall make every reasonable effort to budget and spend for its education fund so that no more than 15% of the revenue deposited in its education fund is transferred to its operations fund. Requires the department of education to identify and the office of management and budget (OMB) to notify those school corporations that transfer more than the 15% amount for the previous school

year. Requires the department of education and the OMB to publish on their Internet web sites a list of those school corporations exceeding the 15% transfer amount. Requires a school corporation's governing body to publically acknowledge receipt of a notice that the school corporation is on the list and publish on the school corporation's Internet web site that it is on the list along with related items. Requires the OMB and the division of finance of the department of education to be available to provide assistance to each school corporation that is included on the list. Requires a school corporation that is not on the list to publish this fact on the school corporation's Internet web site. Provides that, if a school corporation is over the transfer target for two consecutive years, the state board of education (state board) may require the school corporation to explain its expenditures to the state board at a public meeting. Permits the state board to issue a recommendation to the school corporation, and requires posting of the recommendation on the school corporation's Internet web site.

SCHOOL SAFETY (MCNAMARA W) Provides that the Indiana safe schools fund may not be used to provide grants to employ a school resource officer or a law enforcement officer. Provides that an Indiana secured school fund matching grant may be used to employ a law enforcement officer. Provides that an accredited nonpublic school may receive a grant from the Indiana secured school fund (fund). Makes changes to the maximum grant amounts that a school corporation, charter school, accredited nonpublic school, or coalition of schools may receive from the fund. Provides that a virtual charter school or a virtual accredited nonpublic school may not receive a grant from the fund. Establishes minimum grant match percentages necessary to be eligible to receive a grant from the fund. Provides that, before July 1, 2021, each school corporation, charter school, or accredited nonpublic school shall certify to the department of homeland security that the school corporation, charter school, or accredited nonpublic school has conducted a threat assessment for each school building used by the school corporation, charter school, or accredited nonpublic school before applying for a fund matching grant. Requires that at least one of the manmade disaster drills that is required to be conducted by each school in a school corporation during each semester must be an active shooter drill and must be conducted within 30 days after the beginning of the semester. Provides that each: (1) accredited nonpublic school; and (2) charter school; must conduct at least one active shooter drill during each school year. Provides that, beginning after July 1, 2019, for each year that the federal Centers for Disease Control and Prevention Youth Risk Behavior Survey or a successor survey is administered by the state department of health, each public school, charter school, and accredited nonpublic school with at least one employee shall work with the state department of health to provide students in grades 9 through 12 with the opportunity to participate in the survey. Provides that each school corporation and charter school shall: (1) identify; and (2) enter into an agreement with; a provider or providers to provide appropriate and necessary mental health services to students.

WIND FARM CONFLICTS OF INTEREST (SAUNDERS T) Amends the statute that establishes the criminal offense of conflict of interest by a public servant to provide that a public servant who serves a unit in which a proposed wind farm development is being considered commits an offense under the statute if either of the following apply: (1) The public servant knowingly: (A) has or will have a pecuniary interest in; or (B) derives or will derive a profit from; a contract or purchase related to the proposed wind farm development. (2) The wind farm developer does, or offers to do, certain specified acts related to the proposed wind farm development and involving the public servant's role as a public official. Provides that a public servant does not commit an offense under the statute if the public servant makes a written disclosure that describes the nature of the conflict the public servant has with respect to the proposed wind farm development. Requires a wind farm developer that seeks to install or locate one or more wind power devices in a unit to make certain disclosures regarding conflicts of interest involving elected or unelected officials with respect to the proposed project. Provides that a wind farm developer shall make the required disclosures as necessary throughout all phases of the proposed project and continuing for one year after the date on which all wind power devices included in the project are fully operational. Prescribes the form and manner in which the disclosures must be made. Confers authority upon the attorney general to investigate and adjudicate complaints alleging violations of the disclosure requirements. Provides that upon determining that a wind farm developer has violated the requirements, the attorney general may impose a civil penalty of not more than: (1) \$50,000 for the first violation; and (2) \$100,000 for any subsequent violation.

HB1033

LOCAL INCOME TAXES (THOMPSON J) Expires the existing local income tax law on December 31, 2021, and adds a new local income tax law effective in 2022 and thereafter. Does the following under the new local income tax law: (1) Authorizes counties, municipalities, and school corporations to each enact a property tax relief rate of not more than 0.5% in the case of counties and municipalities and not more than 0.25% in the case of school corporations. Provides that in Marion County, municipalities may not enact a property tax relief rate, but the Marion County city-county council may adopt a 1% property tax relief rate. (2) Authorizes counties, municipalities (other than municipalities in Marion County), and school corporations to each enact an expenditure rate. (3) Provides that an expenditure rate may not exceed: (A) 1.25% in the case of counties other than Marion County or 2% in the case of Marion County; (B) 1% in the case of municipalities (other than municipalities in Marion County); and (C) 0.25% in the case of school corporations. (4) Provides that, if an expenditure rate is imposed by a municipality, the municipality shall receive the revenue from the tax, and specifies that the revenue may be used for any legal purpose of the municipality (including providing additional property tax credits). (5) Specifies that a school corporation may not adopt an expenditure rate unless: (A) the expenditure rate is approved by the voters of the school corporation in a local public question; or (B) the revenue from the expenditure rate is used to provide additional property tax credits. Provides that, if a school corporation's expenditure rate is approved by the voters, the revenue may be used for any legal purpose of the school corporation (including providing additional property tax credits). Provides that the maximum period for an expenditure rate approved by the voters of a school corporation is eight years, but that the expenditure rate may be reimposed by the school corporation if approved by the voters. (6) Provides that, if an expenditure rate is imposed by a county other than Marion County, the revenue shall be distributed as certified shares to civil taxing units in the county (other than municipalities and school corporations) on the basis of property tax levies. Specifies that, in counties other than Marion County, the revenue from the county's expenditure rate may be allocated to a public safety answering point or used to provide additional property tax credits before the remaining revenue is distributed as certified shares. (7) Provides that, the 2% maximum expenditure rate in Marion County consists of: (A) an expenditure rate of not more than 1%, to be distributed as certified shares to the county and to excluded cities in the county on the basis of property tax levies; and (B) an expenditure rate of not more than 1%, to be distributed as certified shares to the county and to townships in the county on the basis of property tax levies. (8) Specifies that in Marion County: (A) the revenue from the county's expenditure rate may be allocated to a public communications systems and computer facilities district, a public library, or a public transportation corporation, or for additional property tax credits before the remaining revenue is distributed as certified shares; and (B) revenue distributed as certified shares may be used for any legal purpose of the unit receiving the certified shares. (9) Provides that, after May 31, 2019, a political subdivision may not pledge for the payment of bonds, leases, or other obligations any tax revenue received under the current local income tax law (other than a special purpose rate). (10) Maintains the existing special purpose rates. (11) Provides that, after December 31, 2021, a local income tax rate imposed for transit purposes after approval in a local public question: (A) is a separate special purpose rate; and (B) is not part of the county's expenditure rate or considered in determining whether the county is imposing its maximum expenditure rate. (12) For property taxes due and payable in 2022 and thereafter, requires the department of local government finance to adjust each maximum property tax levy for which a levy freeze amount was applied under the existing local income tax law in 2021. (13) Authorizes a political subdivision to appeal to the department of local government finance for the authority to impose an additional local income tax rate if the political subdivision's expected local income tax distributions will be insufficient to pay obligations for which a pledge of revenue was made under the prior local income tax laws. (14) Specifies that the legislative council shall provide for the preparation and introduction of legislation in the 2020 session of the general assembly to correct cross references and make other changes to the Indiana Code, as necessary, to bring other provisions of the Indiana Code into conformity with this act.

HB1034

POLITICAL SUBDIVISION CONTROLLED PROJECTS AND DEBT (THOMPSON J) Provides that for a controlled project subject to approval by referendum, the political subdivision proposing the controlled project may issue a request for

proposals under the design-build process before completing the referendum process. Modifies the threshold amounts used for determining whether a political subdivision's project is a controlled project and whether the petition and remonstrance process or the referendum process applies. Bases these threshold amounts on gross assessed value. Provides that for a road or street project, only the costs paid from property taxes are considered when applying these threshold amounts. Provides that if the estimated increase in a political subdivision's property tax levy for debt service for a proposed controlled project will be offset in whole or in part because of the retirement of existing debt of the political subdivision, the proper officers of the political subdivision may adopt a resolution that includes certain information and statements. Specifies the ballot language for the referendum on such a proposed controlled project. Provides that the restrictions on supporting a position on a controlled project apply to any political subdivision that has assessed value within the same taxing district as the political subdivision proposing the project.

Prohibits the department of environmental management (department) from granting approval for the construction or expansion of a CFO: (1) if a manure unit located at the CFO would be located less than 500 feet from a residence on the site of the CFO, less than 1,000 feet from a residence outside the CFO, or less than 1,000 feet from a public or private water supply well, a public or private water supply surface intake structure, or a publicly or privately owned reservoir or lake; or (2) if an exhaust system used to remove air from an enclosed animal containment unit at the CFO expels the air in the direction of a residential area that is located less than 1,000 feet from the enclosed animal containment unit and that was in existence as a residential area before the exhaust system began to be used. Prohibits an alteration of a CFO that was in operation before July 1, 2019, if the CFO, as altered, would violate the manure unit restriction or the exhaust system restriction. Requires the environmental rules board to adopt rules

establishing restrictions on air pollution from CFOs. Provides that the rules must restrict hydrogen sulfide, methane, ammonia, and particulate matter from a CFO in the ambient air measured: (1) at the location of the CFO; and (2) in areas that are outside the CFO but near enough to the CFO to be affected by air pollutants from the CFO. Requires the department to enforce these rules.

LOCAL INCOME TAX (THOMPSON J) Specifies that a county fiscal body may adopt an ordinance to fund a correctional or rehabilitation facility with local income tax (LIT) revenue only if a local income tax council is not the adopting body or the local income tax council has failed to dedicate at least 0.2% of the expenditure tax rate to this funding. Requires an additional expenditure rate to be adopted by a county fiscal body for funding a public safety access point or a correctional or rehabilitation facility unless all civil taxing units receiving a distribution approve a reallocation under the existing expenditure rate. Limits the use of LIT revenue to constructing or making improvements to a correctional or rehabilitation facility. Beginning in 2021, redistributes the first 0.25% of the expenditure rate in counties that had adopted the former county option income tax (COIT) to match the allocations in counties that had adopted the former county adjusted gross income tax (CAGIT). HB1116 VARIOUS LOCAL GOVERNMENT MATTERS (KARICKHOFF M) Allows the governing body of a state or local government agency to discuss in an executive session strategy regarding a real estate transaction by the governing body. Allows the fiscal officer of a political subdivision to appropriate funds received from any private entity or individual for the purpose of repairing or replacing damaged property. (Current law allows only appropriation of funds from an insurance company.) Eliminates political party affiliation requirements for members of a utility service board, storm water management board, or board of aviation commissioners. Provides that if a board of aviation commissioners has four members, the executive of the county, city, town, or other municipal corporation or district that operates the airport serves as an ex officio member of the board for purposes of breaking a tie vote. Allows a political subdivision to receive electronic bids for public work projects that exceed a certain amount, if the bid solicitation states the procedure for transmitting the electronic bid and the means of transmission protects the bid contents. Requires a political subdivision that receives electronic bids to electronically publish a bid solicitation through the computer gateway administered by the state office of technology in addition to newspaper publication. Requires the head of the department of law of a second or third class city to reside within Indiana (instead of within the county). Provides that a hazardous tract of land containing a building that is not an unsafe building constitutes an unsafe premises and is subject to the unsafe building law. Eliminates the requirement that a negotiable note for a public work project or eligible efficiency project be repaid by a political subdivision on January 1 and July 1 of each year of the note's term.

- SB143 SALES TAX DISTRICT FOR HEALTHY FOOD PROGRAMS (TAYLOR G) Allows the fiscal body of a county (fiscal body) to adopt an ordinance to impose an additional sales tax in an area designated by the fiscal body as a special food desert district (district). Requires a district designated by a fiscal body to be located in a census tract with low median income and low access to the nearest supermarket as determined by the United States Department of Agriculture in its Food Access Research Atlas. Provides that an additional sales tax applies to retail transactions within the district. Provides that the additional sales tax rate must be imposed in an increment of .25% and may not exceed 1%. Specifies that this additional sales tax is imposed, paid, and collected in the same manner as the state sales tax. Establishes the healthy food and community development financing fund (fund) under the administration of the Indiana housing and community development authority (IHCDA). Requires the amounts received from the additional sales tax to be paid monthly by the treasurer of state to the fund. Requires the IHCDA to: (1) establish an account within the fund for each district designated by a county; (2) deposit money received from the treasurer of state from the tax collected in a district in the district's account; and (3) expend money from the account only for projects within the district in which the tax revenue is collected. Authorizes the IHCDA to conduct a healthy food and community development financing program (program), in coordination with each county that has designated a district, to provide financing in the form of grants or loans for eligible projects. Provides that the projects eligible for financing may include: (1) healthy food; (2) affordable housing; and (3) community development; projects. Provides that the fiscal body of the county that designated the district may adopt an ordinance to specify the types of eligible projects that may be financed within the district. Provides that the IHCDA may contract with one or more nonprofit organizations or community development financial institutions to administer the program through a public-private partnership. Provides that an applicant for a grant or a loan from the fund must demonstrate the capacity to implement the project successfully and the ability to repay the loan. Specifies that an applicant that is a grocery store must agree to the following: (1) To accept Supplemental Nutrition Assistance Program benefits. (2) To accept Special Supplemental Nutrition Program for Women, Infants, and Children benefits. (3) To promote the hiring of local residents. Specifies the purposes for which financing for a project may be used. Continuously appropriates money in the fund.

- SB196 ELECTRONIC REPORTING OF VALUABLE METAL PURCHASES (HEAD R) Transfers the authority of the state police department with respect to valuable metal dealers to the state department of homeland security (DHS). Requires a metals business (an automobile scrapyards, automotive salvage recycler, core buyer, recycling facility, or valuable metal dealer) to electronically submit daily reports to the DHS concerning its valuable metal purchases. Requires a metals business to register and pay a one time fee of \$500 prior to reporting. Requires the DHS to maintain ownership and control of the computer software system used for the electronic reporting and to retain the information for at least two years. Provides that the information submitted electronically is confidential, but requires that the information must be made available to law enforcement agencies. Makes a metals business immune from civil liability arising from the disclosure of information concerning valuable metal purchases if the information is disclosed through a computer system breach and the breach is caused by a person other than, and without the knowledge or consent of, the metals business. Authorizes the use of administrative dissolution by the secretary of state to enforce the reporting of valuable metal purchases. Authorizes the department of state revenue to revoke a retail merchant's certificate to enforce the reporting of valuable metal purchases. Makes it a Class A misdemeanor for a metals business to knowingly or intentionally fail to comply with record keeping or reporting requirements. Makes it a Class A misdemeanor for a person to recklessly sell or attempt to sell stolen valuable metal to a metals business. Requires the executive director of the DHS to adopt rules concerning the electronic reporting of valuable metal purchases. Precludes a unit from adopting an ordinance to regulate metals businesses regarding the holding of or record keeping or reporting regarding scrap metal, ferrous metal, or nonferrous metal, except for a unit's program that existed before January 1, 2019. Exempts a metals business that reports to a unit with a program that existed before January 1, 2019, from reporting to the program managed by the DHS. Includes a statement by which the general assembly covenants not to repeal or amend the law on valuable metal purchases, except for technical corrections or increases in penalties for violations, before July 1, 2029.

- SB290 PREVAILING WAGE (NIEZGODSKI D) Requires that, whenever the actual costs for the construction of a public improvement are at least \$150,000, a contractor or subcontractor shall pay the workers employed in the performance of work for the construction of the public improvement a rate of wages that is not less than the prevailing wage determined by the commissioner (commissioner) of the department of labor. Requires that employer contributions for fringe benefits paid under a bona fide collective bargaining agreement be included in the prevailing wage determination unless a contractor or subcontractor is required by federal, state, or local law to provide the fringe benefit. Provides that a prevailing wage determination is conclusive for one year from the date of the determination unless the determination is superseded by a later determination. Requires that all prevailing wage determinations be publicly available. Requires that a contract or subcontract for the construction of a public improvement contain a provision stating that the contractor or subcontractor is required to pay a rate of wages that is not less than the prevailing wage, and that, if it is determined that a worker has been paid less than the prevailing wage, the public body may terminate the contract or part of the contract and continue the work with the public body's own work force or another contractor or subcontractor. Requires a contractor or subcontractor to make full payment of wages without any deductions, except for deductions required by federal or state law and deductions agreed to by the worker and approved by the contracting public body as fair and reasonable. Provides that if a contractor or subcontractor fails to provide records requested by the commissioner concerning the payment of a prevailing wage, the commissioner may direct the fiscal or financial officer of the contracting public body to withhold from payment up to 25% of the contract amount and pay the workers directly any wages and fringe benefits due and payable. Requires the commissioner to distribute to all public bodies in the state a list of persons and firms that the commissioner can determine have not paid prevailing wages and prohibits a public body from awarding a contract or subcontract to a person or firm on the list for three years after the list is published. Provides mechanisms for the commissioner, workers, or an interested body to enforce violations of the prevailing wage law. Requires a contractor or subcontractor that fails to pay prevailing wages to pay as a civil penalty 75% of the difference between the prevailing wage rate and the wages paid to the workers. Deposits the civil penalties into a prevailing wage penalty enforcement fund to be used to pay expenses incurred by the commissioner in the administration and enforcement of the prevailing wage law. Prohibits a person from requesting or demanding all or a portion of a worker's wages in exchange for employment on the construction of a public improvement. Prohibits a public body from dividing the construction of a public improvement into two or more contracts to avoid paying the prevailing wage.

SB298 SMALL BUSINESS JOB CREATION TAX CREDIT (RANDOLPH L) Provides a nonrefundable tax credit to a small business for employing a qualified new employee. Defines "qualified new employee" as an individual who is receiving unemployment benefits, is a military veteran, or had been convicted of a felony. Provides that the small business must employ a greater number of full-time employees in Indiana in the taxable year than the small business employed in Indiana, on average, during the period beginning January 1, 2018, and ending June 30, 2018. Provides that the qualified new employee must be hired full time. Provides that the credit applies only to taxable years beginning in 2019, 2020, and 2021. Provides that the credit is \$3,000 per qualified new employee, not to exceed \$100,000 per small business. Provides that the small business may carry any excess credit over to not more than three subsequent taxable years. Provides that the small business forfeits 50% of the amount of the tax credits attributable to the employment of a qualified new employee, if within 18 months after the qualified new employee was initially hired: (1) the qualified new employee is terminated, laid off, or otherwise reclassified to a position that is not a full-time employment position with the small business; or (2) the position created for the qualified new employee is eliminated.
