Provides that in Marion County, municipalities may not enact a property tax relief rate, but the Marion County city-county council may adopt a 1% property tax relief rate. (2) Authorizes counties, municipalities (other than municipalities in Marion County), and school corporations to each enact an expenditure rate. (3) Provides that an expenditure rate may not exceed: (A) 1.25% in the case of counties other than Marion County or 2% in the case of Marion County; (B) 1% in the case of municipalities (other than municipalities in Marion County); and (C) 0.25% in the case of school corporations. (5) Specifies that a school corporation may not adopt an expenditure rate unless: (A) the expenditure rate is approved by the voters of the school corporation in a local public question; or (B) the revenue from the expenditure rate is used to provide additional property tax credits. Provides that, if a school corporation's expenditure rate is approved by the voters, the revenue may be used for any legal purpose of the school corporation (including providing additional property tax credits). Provides that the maximum period for an expenditure rate approved by the voters of a school corporation is eight years, but that the expenditure rate may be reimposed by the school corporation if approved by the voters. (6) Provides that, if an expenditure rate is imposed by a county other than Marion County, the revenue shall be distributed as certified shares to civil taxing units in the county (other than municipalities and school corporations) on the basis of property tax levies. (7) Provides that, the 2% maximum expenditure rate in Marion County consists of: (A) an expenditure rate of not more than 1%, to be distributed as certified shares to the county and to excluded cities in the county on the basis of property tax levies; and (B) an expenditure rate of not more than 1%, to be distributed as certified shares to the county and to townships in the county on the basis of property tax levies. (8) Specifies that in Marion County: (A) the revenue from the county's expenditure rate may be allocated to a public communications systems and computer facilities district, a public library, or a public transportation corporation, or for additional property tax credits before the remaining revenue is distributed as certified shares; and (B) revenue distributed as certified shares may be used for any legal purpose of the unit receiving the certified shares.
