AGENDA

9:00 a.m. – 9:10 a.m.	Welcome and Opening Remarks
9:10 a.m. – 11:10 a.m.	Budgeting for Council Members While annual Aim Budget Workshops provide the foundational information that every municipal official needs to enter budget season, this workshop is designed to help council members get a refresher on the budget hearing and adoption process and their role as the budget season gets in full swing. Aim's go-to budget guru, Baker Tilly's Paige Sansone, will be on-hand to help council members feel comfortable with all things budget during this critical time of year.

11:15 a.m. – 12:30 p.m.	Code Enforcement Best Practices Each community has their weighty challenges. Some battle more with unsafe buildings while others find vicious dogs and unwanted animals to be their Achilles heel. This workshop will feature several experts who will share their secrets for maintaining compliance and supervising a solid code enforcement program, as well as sharing some code enforcement best practices that are universal in their application. Whether your town or city is big or small, you have code enforcement challenges. Bring your questions and your comments to this virtual session and log off better informed and with some creative new ideas!
