

HB1001

ADMINISTRATIVE AUTHORITY; COVID-19 IMMUNIZATIONS (LEHMAN M) Allows the secretary of family and social services (secretary) to issue a waiver of human services statutory provisions and administrative rules if the secretary determines that the waiver is necessary to claim certain enhanced federal matching funds available to the Medicaid program. Allows the secretary to issue an emergency declaration for purposes of participating in specified authorized federal Supplemental Nutrition Assistance Program (SNAP) emergency allotments. Requires the secretary to prepare and submit any waivers or emergency declarations to the budget committee. Allows the state health commissioner of the state department of health or the commissioner's designated public health authority to issue standing orders, prescriptions, or protocols to administer or dispense certain immunizations for individuals who are at least five years old (current law limits the age for the commissioner's issuance of standing orders, prescriptions, and protocols for individuals who are at least 11 years old). Defines "Indiana governmental entity" and specifies that an Indiana governmental entity (current law refers to a state or local unit) may not issue or require an immunization passport. Provides that an individual is not disqualified from unemployment benefits if the individual has complied with the requirements for seeking an exemption from an employer's COVID-19 immunization requirements and was discharged from employment for failing or refusing to receive an immunization against COVID-19. Provides that an employer may not impose a requirement that employees receive an immunization against COVID-19 unless the employer provides individual exemptions that allow an employee to opt out of the requirement on the basis of medical reasons, religious reasons, or immunity from COVID-19 acquired from a prior infection with COVID-19.

HB1002

VARIOUS TAX MATTERS (BROWN T) Removes a provision that requires taxpayers to have adjusted gross income tax liability in order to qualify for an automatic taxpayer refund. Makes clarifying changes. Provides that before the state lottery commission may implement an expansion of gaming either by adopting rules, entering into contracts, or any other action, the rule, contract, or action must be authorized by the general assembly. Defines "expansion of gaming" for purposes of the requirement. Requires each local unit that imposes an innkeeper's tax or food and beverage tax to annually report information concerning distributions and expenditures of amounts received from the innkeeper's tax or food and beverage tax. Extends the Nashville food and beverage tax expiration date from July 1, 2023, to July 1, 2043. Provides that food and beverage taxes currently authorized under IC 6-9 and that do not otherwise contain an expiration date (other than the stadium and convention building authority food and beverage tax and the historic hotels food and beverage tax) shall expire on the later of: (1) January 1, 2042 (or in the case of Monroe County, January 1, 2044); or (2) the date on which all bonds or lease agreements outstanding on March 15, 2022, are completely paid. Requires each local unit that imposes a food and beverage tax that is subject to the expiration provision to provide to the department of local government finance (department) a list of each bond or lease agreement outstanding on March 15, 2022, and the date on which each will be completely paid. Requires the department to publish the information on the gateway Internet web site.

HB1004

DEPARTMENT OF CORRECTION (FRYE R) Amends and updates certain terms involving direct placement in a community corrections program. Updates the definition of "community corrections program". Specifies that a court may suspend any portion of a sentence and order a person to be placed in a community corrections program for the part of the sentence which must be executed. Provides that a person placed on a level of supervision as part of a community corrections program: (1) is entitled to earned good time credit; (2) may not earn educational credit; and (3) may be deprived of earned good time credit. Provides that when a person completes a placement program, the court may place the person on probation. Provides that a court may commit a person convicted of a Level 6 felony for an offense committed after June 30, 2022, to the department of correction (department), and that, consistent with current law, a court may commit a person convicted of a Level 6 felony for an offense committed before July 1, 2022, to the department only if certain circumstances exist. Establishes certain conditions of parole for a person on lifetime parole and makes the violation of parole conditions and commission of specified other acts by a person on lifetime parole a Level 6 felony, with an enhancement to a Level 5 felony for a second or subsequent offense. Provides that, for purposes of calculating accrued time and good time credit, a calendar day includes a partial calendar day. Makes conforming changes.

HB1062

REGULATION OF CEMETERIES (ZENT D) Defines "certificate of burial rights" for purposes of the cemetery law. Replaces references to other instruments issued upon the purchase of burial rights with the term. Provides that before entering into a sales contract with a consumer, an owner of a cemetery must provide a written statement including a price range of all commodities and services available for purchase. Specifies that the schedule of fees and the fees charged in connection with the installation or use of commodities in a cemetery must be consistent with the statement provided to a consumer. Prohibits the preinstallation of a vault. Increases the maximum civil penalty for a violation of

the cemetery association law from \$1,000 to \$5,000. Permits a city or town, county, and township to appoint a cemetery caretaker to control and manage cemeteries in the entity's care. Establishes requirements for a city or town to appoint a cemetery caretaker through a proposed ordinance. Requires a city or town to review the status of the control and management of a cemetery for which it is responsible at least once every 10 years.

HB1093

EDUCATION MATTERS (BEHNING R) Amends the membership and duties of the early learning advisory committee. Makes changes to the definition of "school resource officer". Provides that, after June 30, 2023, if a school corporation or charter school enters into a contract for a school resource officer, certain school corporations or charter schools must enter into a memorandum of understanding with the law enforcement agency that employs or appointed the law enforcement officer who will perform the duties of a school resource officer. Provides that certain parties are prohibited from incentivizing the enrollment, reenrollment, or continued attendance of a student or prospective student by offering or giving an item that has monetary value. Requires the Indiana charter school board (board) to appoint an executive director to carry out the duties and daily operations of the board. Establishes the executive director's duties. Provides that the board shall establish certain processes. Establishes the Indiana charter school board fund and provides that money in the fund is appropriated continuously for purposes of the board. Provides that the department of education (department) may grant an accomplished practitioner's license under certain conditions. Provides that the instructional days tuition support distribution formula account for certain schools within a school corporation. Authorizes the department to study and, if recommended, use machine scoring. Provides that, after a school receives statewide assessment score reports, a teacher of a student shall discuss the student's statewide assessment results with a parent at the next parent/teacher conference or, if the school does not hold parent/teacher conferences, send a notice to a parent of the student offering to meet with the parent to discuss the results. Provides that the department of education may include in a contract entered into or renewed after June 30, 2022, with a statewide assessment vendor a requirement that the vendor provide a summary of a student's statewide assessment results that meets certain requirements. Requires the department to include in a contract entered into or renewed after June 30, 2022, with a statewide assessment vendor a requirement that the vendor provide a summary of a student's statewide assessment results that meets certain requirements. Provides that, if the total amount of state tuition support that a school corporation receives or will receive during a school year decreases under the student instructional day reduction of tuition support provision by an amount that is equal to or more than \$250,000 from the amount the school corporation would otherwise be eligible to receive during the school year, the budget committee shall review the amount of and the reason for the decrease before the implementation of the decrease. Provides that, if an adjustment by the state board of education (state board) of the count of enrolled eligible pupils for one or more school corporations would increase or decrease the total distribution of state tuition support in an amount that is equal to or more than \$250,000, the adjustment must be reviewed by the budget committee before the state board may adjust the enrollment count. Provides that, if the state board determines that extreme patterns of certain conditions on the count day or the subsequent adjustment date cause the enrollment to be unrepresentative of the enrollment of one or more school corporations by a count of eligible pupils that would increase or decrease the total distribution of state tuition support in an amount that is equal to or more than \$250,000 as a result of changing the count day, the state board may designate another day for determining the enrollment of the one or more school corporations after review by the budget committee. (Current law allows the state board to designate another day for determining a school corporation's enrollment if the state board determines that extreme patterns of certain conditions on the count day or the subsequent adjustment date cause the enrollment to be unrepresentative of the school corporation's enrollment.) Changes the department's review period for certain funds. Repeals a provision concerning staffing of the board. Provides that the state board of education shall assign to a school or school corporation (including adult high schools) a "null" or "no letter grade" for the 2021-2022 school year.

HB1103

DEPARTMENT OF NATURAL RESOURCES (EBERHART S) Repeals code provisions regarding commercial fishing on Lake Michigan. Removes the requirement that the director of the department of natural resources (department) send, to a person who has a license that is placed on probationary status, notice that includes a description of the amount of child support in arrears and an explanation of the procedures to pay child support arrearage. Repeals the mussels license issued by the department. Provides that a law enforcement officer or an employee of the department is not liable for the destruction of a permitted animal that escapes an enclosure and poses a threat to public safety. Provides instances when a construction permit for a floodway is not required to remove a logjam or mass of wood debris that has accumulated in a river or stream. Provides that, beginning January 1, 2022, the director of the department shall not exercise authority to remove or eliminate an abode or residence from a floodway if the abode or residence was constructed before January 1, 2022. (Current law provides that the director of the department shall not exercise the authority if the residence or abode was constructed before January 1, 2020.) Provides that before July 1, 2023, the department shall adopt a license for the removal of trees; channel maintenance; and bank reconstruction, repair, and stabilization in a floodway. Provides that a local floodplain administrator shall utilize the best floodplain mapping data available as provided by the department and located on the Indiana Floodplain Information Portal when reviewing a permit application for a structure or a construction activity in, or near, a floodplain. Provides that a contract to purchase timber must be in writing. Allows the collection of damages for costs associated with a claim or action, including attorney's fees, or damages specified in a contract with a timber buyer or a person who cuts timber but is not a timber buyer. Requires a timber buyer to keep complete and accurate records for at least five years after a transaction. Allows the director of the department to suspend a timber buyer's license for not more than 90 days before a final adjudication if the director of the department finds that the holder of the timber buyer's license poses a clear and immediate danger to public health, safety, or property if allowed to continue to operate. Provides that the director of the department may renew the suspension for periods of not more than 90 days. Makes technical and conforming changes.

UTILITY REGULATORY COMMISSION REPORTING AND RULES (SOLIDAY E) Amends the statute concerning the required annual report by the utility regulatory commission (IURC) to the governor and the legislative council as follows: (1) Requires the IURC to present the annual report to the interim study committee on energy, utilities, and telecommunications (committee) before October 1 of each year. (2) Provides that the annual report must include certain information concerning: (A) the energy utility industry; (B) the water and wastewater utility industries; (C) the communications services industry; and (D) Indiana's pipeline safety program. Makes conforming amendments to the statutes requiring the IURC to report annually to the committee concerning: (1) the energy utility industry; and (2) communications services. Makes other conforming amendments to Indiana Code sections referencing the IURC's annual report to the committee concerning communications services. Repeals Indiana Code provisions requiring the IURC to report annually to the committee concerning: (1) acquisitions under the statute concerning acquisitions of offered water or wastewater utilities; and (2) the Indiana voluntary clean energy portfolio standard program. Requires the IURC to adopt rules as the IURC determines necessary to implement Federal Energy Regulatory Commission Order No. 2222 concerning distributed energy resources and distributed energy resource aggregators.

HB1167

BUREAU OF MOTOR VEHICLES (PRESSEL J) Allows an advanced practice registered nurse to sign certain health documents concerning driving privileges. Requires the bureau of motor vehicles (bureau) to establish and maintain an audit working group. Provides that meetings of the audit working group are not subject to open door laws. Provides that the bureau, rather than the state board of accounts, is required to conduct an audit of each license branch. Amends certain dates regarding the statewide electronic lien and title system (system). Removes system provisions concerning qualified service provider payments, participation notification, and annual fees. Provides that the bureau and participating qualified service providers or lienholders may charge certain system fees, but sunsets the provisions on July 1, 2025. mends dates concerning the voluntary or required use of the system. Requires the bureau to distribute at least one time each month the fees collected and deposited from certain special group recognition license plates. Repeals the law providing for the Earlham College trust license plate. Provides that interference with highway traffic is considered unreasonable if the interference occurs for more than 10 consecutive minutes except for: (1) machinery or equipment used in highway construction or maintenance by the Indiana department of transportation, counties, or municipalities; and (2) firefighting apparatus owned or operated by a political subdivision or a volunteer fire department. Provides that a public agency or towing service that obtains the name and address of the owner of or lienholder on a vehicle shall, not later than three business days after obtaining the name and address, notify the owner of the vehicle and any lienholder on the vehicle, as indicated by the certificate of title or as discovered by a search of the National Motor Vehicle Title Information System or an equivalent and commonly available data base. Requires the bureau to process an electronic application for a certificate of authority not more than five business days after the submission of the application if the application meets certain requirements. Provides that an individual is not required to be a citizen of the United States as shown in the records of the bureau to apply for a replacement driver's license or learner's permit by electronic service. Provides that a suspension for failure to satisfy a judgment imposed before December 31, 2021 terminates on December 31, 2024. Removes the requirement that the bureau collect an administrative penalty if a dealer fails to apply for a certificate of title for a motor vehicle that is purchased or acquired in a state that does not have a certificate of title law. Provides that a manufacturer or distributor may not sell or offer to sell, directly or indirectly, a new motor vehicle to the general public in Indiana except through a new motor vehicle dealer holding a franchise for the line make covering the new motor vehicle. Provides that the sales of new motor vehicles by a manufacturer or franchisor to the federal government, a charitable organization, an employee of the manufacturer or distributor, or a manufacturer or distributor under certain conditions. Provides that an individual subject to both an administrative license suspension and a court ordered license suspension must file a petition for specialized driving privileges in the court that ordered the suspension. Repeals a statute requiring the use of a turn signal 200 feet before making a turn. Makes technical corrections.

HB1169

HEALTH MATTERS (CLERE E) Prohibits certain health insurance plans from requiring authorization for covered early intervention services under an individualized family service plan signed by an advanced practice registered nurse (APRN). Repeals and relocates laws concerning: (1) rules regulating the sanitary operation of tattoo parlors and body piercing facilities; (2) allowing the executive board of the state department of health (board) to adopt rules on behalf of the state department of health (department); (3) allowing the board to adopt emergency rules; (4) sanitation of public buildings and institutions; and (5) authority to adopt rules concerning the federal Clinical Laboratory Improvement Amendments. Repeals laws concerning: (1) safety guidelines for children during bad weather conditions; (2) automated external defibrillator rules in health clubs; (3) requiring the state health commissioner (commissioner) to comment on certain rules; (4) fees for serological tests; (5) the administrative unit for special institutions; (6) protection and regulation of department property; and (7) the registry of blind persons. Removes intemperance as a reason to remove a local health officer. Specifies that the department may request the office of administrative law proceedings to designate a person to administer a proceeding. Requires the department to provide facilities and disseminate information to the public concerning oral public health. Allows the department to have a designee to maintain a 24 hour poisons answering service. Adds information on prenatal care to the department's telephone information service concerning children with long term health care needs. Changes the reference from "illegal drug use" to "substance abuse disorder" for purposes of partnership and joint ventures with the department. Requires the department to employ a licensed physician as the chief medical officer. Allows the chief medical officer to perform the functions of the commissioner when the commissioner is not available. Specifies that the state health laboratory (laboratory) must be used to support public health. Changes the title of the person who manages the laboratory. Removes certain requirements concerning the appointment of the laboratory director and chemist. Removes a requirement that a director must report to the commissioner. Requires holders of a certificate of public advantage to pay for reasonable charges incurred by the department. Changes the requirement that the department "shall" to "may" use information compiled by a public or private entity to the greatest extent possible to develop a chronic disease registry. Allows the department to issue a certificate of free sale to a business that meets certain requirements. Amends the definition of "person" for purposes of the state health improvement plan and grant program. Amends the definition of "deaf or hard of hearing" for purposes of the laws governing language development for children who are deaf or hard of hearing. Authorizes an APRN to sign an order or referral for physical therapy. Requires a health insurance plan to provide coverage for diabetes self-management training ordered by an APRN. Provides that a county coroner may not certify the cause of death for certain infants as a sudden unexplained infant death until a comprehensive death investigation is performed.

HB1193

OPIOID LITIGATION (KARICKHOFF M) Amends the deadline by which a political subdivision may opt back in to an opioid litigation settlement. Requires a political subdivision to submit a copy of the agreement executed between the political subdivision and the private legal counsel of the political subdivision when opting back into the opioid litigation settlement. Removes language providing that no political subdivision has any claim to any settlement proceeds for litigation against any opioid party not yet filed by the state as of a certain date. Removes certain requirements concerning the payment of costs, expenses, and attorney's fees and costs arising from opioid litigation. Changes the basis by which the agency settlement fund distributes funds to cities, counties, and towns. Reduces the percentage of opioid litigation settlement funds distributed for use of statewide treatment, education, and prevention programs for opioid use disorder. Provides that 35% of opioid litigation settlement funds are to be distributed to cities, counties, and towns for programs for treatment, prevention, and care that are best practices for opioid use disorder. Provides that funds received from the opioid settlement may not be distributed to a city, county, or town that has opted out of the settlement and that the remaining funds shall be distributed to the cities, counties, or towns that have opted into the settlement.

HB1214

RESIDENTIAL EVICTION ACTIONS (MANNING E) Requires the plaintiff in a residential eviction action to file a motion to dismiss the action if the case is resolved between the parties at any time before final adjudication, unless the plaintiff is seeking damages. Provides that if, at any time after an eviction action is filed, no action has been taken by the plaintiff to further prosecute the case for a period of at least 180 days, the court shall send to the parties written notice: (1) stating the date of the most recent action taken by the plaintiff in the case; and (2) directing the plaintiff to take action to either: (A) further prosecute the case; or (B) dismiss the case; not later than 10 business days after the date of the notice. Provides that if the plaintiff fails to take any action within the prescribed time: (1) the defendant may petition the court to dismiss the case; or (2) the court on its own motion may dismiss the case. Provides that a residential eviction diversion program may not be offered or operated on a statewide or local basis unless participation in the program is voluntary for all parties. Requires: (1) the Indiana housing and community development authority; and (2) any political subdivision that distributes rental assistance funds made available by the federal government in response to the COVID-19 pandemic; to create a designated landlord application process, in addition to the tenant application process, not later than August 31, 2022. Requires, upon motion of the tenant, the court in which an eviction action is filed to order the clerk of the court and the operator of any state, regional, or local case management system not to disclose or permit disclosure of any records in the case, subject to certain exceptions, if

any of the following occur: (1) The action is dismissed. (2) A judgment in favor of the tenant is entered. (3) A judgment against the tenant is later overturned or vacated on appeal. Provides that if: (1) an eviction action, regardless of when it was filed, results in one of the specified outcomes allowing for the nondisclosure of records in the action; and (2) the court does not issue an order prohibiting the disclosure of any records in the action; the tenant in the action may petition the court in which the eviction action was filed to issue an order prohibiting the disclosure of any records in the action in accordance with the bill's provisions. Provides that upon the filing of such a petition, the court may: (1) issue an order prohibiting the disclosure of any records in the action; or (2) set the matter for a hearing. Provides that the petitioner bears the burden of proof in any hearing set by the court. Requires the clerk of court or other court administrator to: (1) track all eviction actions with respect to which a nondisclosure order is issued by the court; and (2) furnish the data compiled in the statutorily required statistical data provided to the office of judicial administration (office), as prescribed by the office. Requires the office to include the data provided by the courts in the Indiana Judicial Report.

HB1221

ELECTRIC VEHICLES AND ELECTRICITY PRICING (SOLIDAY E) Provides that a person that: (1) owns, operates, or leases electric vehicle (EV) supply equipment; and (2) makes the EV supply equipment available for use by the public for compensation; may charge the public for such use based in whole or in part on the kilowatt hours of electricity sold. Specifies that a person that makes EV supply equipment available for use by the public for compensation, regardless of whether the person charges the public for such use based on: (1) the kilowatt hours of electricity sold; (2) the amount of time spent by an EV at a designated charging space; or (3) a combination of both; is not a public utility solely by reason of engaging in this activity. Authorizes the utility regulatory commission (IURC) to approve: (1)

time-varying price structures and tariffs; or (2) other alternative pricing structures and tariffs; for retail energy service. Defines a "public use electric vehicle" (public use EV) as any of the following electric vehicles that is used primarily to serve the public: (1) An electric school bus. (2) An electric transit bus. (3) An electric vehicle used by a public or private commercial enterprise primarily to deliver goods or services to the public. Authorizes an electric utility (defined as a public utility that is subject to the jurisdiction of the IURC) to request approval from the IURC to implement a public use EV pilot program (pilot program) to do any of the following: (1) Install, own, or operate charging infrastructure or make-ready infrastructure to support public use EVs. (2) Provide incentives or rebates to customers to encourage customer investment in public use EVs and in associated EV supply equipment. Sets forth certain required information that an electric utility's request for approval of a pilot program must include. Provides that an electric utility's request for approval of a pilot program may include a request for: (1) assurance of cost recovery for pilot program capital costs, up to the amount of an approved cost estimate; and (2) deferral of pilot program capital costs. Sets forth the processes by which an electric utility may request the IURC's approval of a pilot program. Provides that the IURC shall approve an electric utility's request for approval of a pilot program if the IURC determines that the proposed pilot program is reasonable, just, and in the public interest. Sets forth certain factors that the IURC must consider in making this determination. Specifies that an electric utility is not prohibited from: (1) installing, owning, or operating charging infrastructure or make-ready infrastructure for electric vehicles; and (2) seeking to include the associated capital costs in the electric utility's basic rates and charges by initiating a proceeding before the IURC. Provides that in such a case, the IURC shall approve the inclusion of the capital costs in the electric utility's basic rates and charges if the IURC finds that the capital costs incurred are reasonable, just, and in the public interest. Requires the IURC to adopt rules to implement these provisions.

SOLID WASTE MATTERS (SPEEDY M) Establishes the central Indiana waste diversion pilot project (pilot project). Requires the department of environmental management to: (1) develop pilot project application forms; (2) make the forms available on or before July 1, 2022; (3) accept applications through October 1, 2022; and (4) provide recommendations to the Indiana recycling market development board (board) on or before December 1, 2022. Requires the board to award not more than \$4,000,000 in total to applicants chosen to participate in the pilot project. Limits the pilot project to Marion County. Amends the definition of "solid waste" to exclude materials that are used in creating a product and that meet other conditions. Provides that: (1) a transfer station or treatment, storage, or disposal facility that holds a permit to handle hazardous waste may also handle solid waste; (2) solid waste that is managed at a transfer station or a treatment, storage, or disposal facility shall not be allowed to come into direct contact with hazardous waste, and any solid waste that does come into direct contact with hazardous waste shall then be managed as hazardous waste; and (3) the environmental rules board (rules board) shall amend 329 IAC 11 to conform to these provisions. Requires the rules board to expeditiously adopt by rule all waste regulation exemptions or exclusions as that are adopted by the United States Environmental Protection Agency (EPA) and set forth in the federal rule on the identification and listing of hazardous waste. Provides that until certain federal rule amendments that were adopted by the EPA on May 30, 2018, are adopted by the rules board, those amendments apply to the identification and listing of hazardous waste in Indiana just as if the amendments were already incorporated by reference into the rules of the rule board on the identification and listing of hazardous waste. Provides that: (1) the disposal of non-hazardous coal mining waste and coal combustion residuals at a surface coal mining facility; and (2) the use of coal combustion residuals as raw material for manufacturing another product or for eight other particular uses; are not subject to regulation under the solid waste rules. Makes corresponding changes.

CONNECTIONS TO WATER AND SEWER SYSTEMS (PRESSEL J) Prohibits: (1) a local unit; or (2) a water or wastewater utility; that is not under the jurisdiction of the Indiana utility regulatory commission (IURC) for the approval of rates and charges from charging or collecting from a property owner a capacity related fee or a tap fee either of which is established after June 30, 2022, and that includes contributions in aid of construction that are first received by the utility or local unit after June 30, 2022. Provides that if a local unit or a utility charges a property owner a capacity related fee or a tap fee that is established after June 30, 2022, and that is based, in whole or in part, on contributions in aid of construction, the property owner is entitled to request to meet with the local unit or the utility to review: (1) the engineering and financial analyses the fee was based on; and (2) if applicable, the ordinance

adopting the fee. Requires a local unit or a utility to meet with a property owner for such a review not later than 30 days after receipt of the property owner's request. Provides that if a meeting and review does not result in a satisfactory resolution, the property owner may file with the IURC a petition challenging the fee. Provides that if the IURC determines the capacity related fee or tap fee is based in whole or in part on contributions in aid of construction, the IURC shall: (1) invalidate the fee; or (2) modify the fee to comply with these provisions. Amends the statute that provides an exemption from the requirement to connect to a regional sewer district's sewer system to a property owner whose septic tank soil absorption system was new at the time of installation as follows: (1) Provides that the local health department's designee or a qualified inspector (in addition to the local health department) may approve the property owner's septic tank soil absorption system at the time of installation. (2) Provides that the 10 year exemption is measured from the date of the required written determination of the local health department, the department's designee, or a qualified inspector that the property owner's septic tank soil absorption system is not failing. (Current law provides that the 10 year exemption is measured from the date the new septic tank soil absorption system was installed.) Defines "residential onsite sewage system" as the term is defined by the state department of health (department) in the department's rule concerning residential onsite sewage systems (department's rule). Changes instances of the term "residential septic system" in current law to the term "residential onsite sewage system". Prohibits a local health department from refusing an application for a permit for a residential onsite sewage system solely because the residential onsite sewage system has not been used previously in the jurisdiction of the local health department or is unfamiliar to the local health department, if the residential onsite sewage system has been approved for general use in Indiana by the department's technical review panel. Provides that if the local health department in one jurisdiction has issued a permit for a particular type of residential onsite sewage system, the local health department in another jurisdiction may not refuse to issue a permit for a residential onsite sewage system of that same type if: (1) a registered professional engineer; (2) a registered soil scientist; (3) a residential onsite sewage system installer; and (4) (if applicable) the designer of the residential onsite sewage system; approve of the use of that type of system in the second jurisdiction. Provides that if a registered professional engineer certifies: (1) that the location, design, proposed construction, and proposed installation of a planned residential onsite sewage system comply with the department's rule, a local health department may not disapprove an application for a permit for the residential onsite sewage system; (2) that the design, construction, installation, location, maintenance, and operation of an existing residential onsite sewage system comply with the department's rule, a local health department may not issue an order on the basis that the residential onsite sewage system is a failed system; and (3) that an existing residential onsite sewage system is not functioning properly but can be restored to proper functioning through repair, a local health department may not issue an order requiring the replacement of or disconnection from the residential onsite sewage system. Provides that a local health department may not deny a permit for a residential onsite sewage system in a particular location on the grounds that the soil of the location is too heavily compacted if a registered soil scientist certifies that the soil can be made suitable for the residential onsite sewage system in not more than two years through the planting of plants that loosen and aerate the soil or through other means. Provides that a local ordinance or a local health department may not impose residential onsite sewage system requirements, restrictions, or conditions that are more stringent than those of the department's rule. Requires a local health department to issue, in certain circumstances, a permit for a residential onsite sewage system not more than 30 business days after receiving the application for the permit. Voids a provision of the department's rule stating that the rule does not prohibit local ordinances from imposing requirements more stringent than the requirements of the department's rule. Changes population parameters used in an Indiana Code section concerning the installation of a residential onsite sewage system in fill soil, so as to reflect the population count determined under the 2020 decennial census. Provides that a property owner whose property is incorporated into the territory of a municipal sanitation district (regardless of whether the property owner has filed a written remonstrance or an appeal with respect to the incorporation) is exempt from a requirement to connect to the district's sewer system and to discontinue use of a sewage disposal system on the property owner's property if: (1) the property owner's sewage disposal system: (A) was new at the time of installation; and (B) was approved in writing by the local health department, the department's designee, or a qualified inspector; and (2) the property owner obtains a written determination from the local health department, the department's designee, or a qualified inspector that the property owner's sewage disposal system is not failing. Provides that a property owner who qualifies for this exemption may not be required to connect to the district's sewer system for a period of 10 years beginning on the date of the required written determination of the local health department, the department's designee, or a qualified inspector that the property owner's septic tank soil absorption system is not failing. Provides that a property owner may apply for two five-year extensions of the exemption. Limits the total period during which a property may be exempt from the requirement to connect to a district's sewer system to not more than 20 years, regardless of ownership of the property. Sets forth certain time frames and requirements that apply to a property owner who seeks to claim the exemption. Provides that this exemption does not apply to a property owner whose property is incorporated into a district if the district has receive

HB1246

FIRE PROTECTION TERRITORIES AND LOCAL INCOME TAXATION (LEHE D) Provides that a fire protection territory that experiences more than 6% population growth during a 10 year period may increase its maximum property tax levy for 2023 or any year thereafter by an amount based on the population growth that exceeds 6%. Provides, however, that the fire protection territory may not increase the tax levy based on the population growth by a total rate of more than 0.15 per \$100 of the net assessed value of the fire protection territory area within a 10 year period. Allows a total tax rate levied upon the formation of a fire protection territory established after December 31, 2022, to be implemented over a number of years, not exceeding five, and subject to review and approval by the department of local government finance. Provides that a participating unit's proceeds of property taxes imposed to meet the participating unit's obligations to a fire protection territory are exempt from areas needing redevelopment, redevelopment project areas, urban renewal project areas, economic development areas, or economic development districts established after December 31, 2021. Provides that, in the case of counties that provide emergency medical services for all local units in the county and pay 100% of the costs to provide those services, the fiscal body of the county may adopt an ordinance to impose a local income tax (LIT) rate for emergency medical services in the county. Provides that the tax rate may not exceed 0.2%. Provides that the LIT revenue shall be distributed directly to the county before the remainder of the expenditure rate revenue is distributed and must be deposited in a dedicated fund to be used only for paying for operating costs incurred by the county for emergency medical services that are provided throughout the county. Provides that the tax rate may not be in effect for more than 25 years.

HB1260

DEPARTMENT OF LOCAL GOVERNMENT FINANCE (LEONARD D) Specifies provisions for federal economic stimulus funds. Provides that certain churches and religious societies are not required to file a personal property tax return. Provides that a county assessor shall provide electronic access to property record cards on the county's official Internet web site. Repeals the mortgage deduction for assessments beginning January 1, 2023. Increases the homestead deduction from \$45,000 to \$48,000 for assessments beginning January 1, 2023. Requires a local assessor to notify the department of local government finance (DLGF) of all new fixed property owned or used by a public utility company that the local assessor will begin assessing and the date on which the assessments will begin. Requires the DLGF to notify a company if any of the company's property that was previously assessed by the DLGF will instead be assessed by the township assessor, or the county assessor if there is not a township assessor for the township. Provides that the county assessor may exempt designated infrastructure development zone broadband assets, including assets located in a designated infrastructure development zone of a centrally assessed telephone company or cable company. Provides that the authority of a property tax assessment board of appeals (county board) is not limited to review the ongoing eligibility of a property for an exemption. Provides timing clarifications for property tax deductions for taxpayers who are over age 65 or who are disabled veterans, and for the over age 65 circuit breaker credit. Provides that the assessor shall provide a report to the county auditor describing any physical improvements to the property. Increases the maximum assessed value of the real property for an individual at least 65 years of age to be eligible for a deduction from \$200,000 to \$240,000. Defines the term "taxpayer" for purposes of the procedures for review and appeal of assessments and corrections of errors. Modifies the burden of proof standard in an appeal to provide that an assessment as last determined by an assessing official or the county board is presumed to equal a property's true tax value until rebutted by evidence presented by the parties, unless the property's assessment increased by more than 5%, in which case the assessor has the burden of proof. Provides that a county auditor shall submit a certified statement to the DLGF not later than September 1 in a manner prescribed by the DLGF. Provides for maximum property tax levy increases for Otter Creek Township in Vigo County and Sugar Creek Township Fire Protection District in Vigo County. Provides for a one-time maximum property tax levy increase for Howard County. Specifies certain dates with regard to the adjustment of maximum tax rates after a reassessment or annual adjustment. For reports filed by county boards with the DLGF, changes the requirement for the total number of "notices" to be filed to the total number of "appeals" to be filed. Requires additional information to be filed in such reports. Provides that the term "tax representative" does not include an attorney who is a member in good standing of the Indiana bar or any person who is a member in good standing of any other state bar and who has been granted temporary admission to the Indiana bar in order to represent a party before the property tax assessment board of appeals or the DLGF. Provides that the DLGF may not review certain written complaints if such a complaint is related to a matter that is under appeal. Repeals a provision in current law that provides that a taxpayer that owns an industrial plant located in Jasper County is ineligible for a local property tax replacement credit against the property taxes due on the industrial plant if the assessed value of the industrial plant as of March 1, 2006, exceeds 20% of the total assessed value of all taxable property in the county on that date. Provides that for certain airport development zones and allocation areas established after June 30, 2024, "residential property" refers to the assessed value of property that is allocated to the 1% homestead land and improvement categories in the county tax and billing

software system, along with the residential assessed value as defined for purposes of calculating the rate for the local income tax property tax relief credit designated for residential property. Provides formulas for school corporations that propose to impose property taxes under a referendum tax levy. Provides that the property tax rate imposed under the provision for the public safety officers survivors' health coverage cumulative fund is exempt from the adjustment of maximum tax rates after reassessment or annual adjustment. Changes the sunset provision for pro bono legal service fees from July 1, 2022, to July 1, 2025. Allows a county surveyor to send relocation requirements for a proposed regulated drain by either registered mail or certified mail (current law requires the relocation requirements be sent by registered mail). Repeals various property tax provisions. Makes conforming changes.

HB1285

REDISTRICTING LOCAL ELECTION DISTRICTS (TESHKA J) Provides that redistricting election districts for local and school board offices must occur at certain times. Removes a provision that limited the number of school board members that may reside in the same school board district for the Indianapolis public school board. Changes the entity that establishes the Indianapolis public school districts within the school city from the Indiana state board of education to the board of school commissioners. Removes the discretionary ability of political subdivisions to redistrict election districts at times other than those required by statute. Allows for additional time for redistricting after the 2020 decennial census. Consolidates certain local redistricting statutes in the same location. Changes population parameters to reflect the population count determined under the 2020 decennial census. Repeals obsolete statutes and makes other conforming changes.

HB1300

BAIL (MAYFIELD P) Allows a charitable organization to pay bail on behalf of specified non-violent defendants if the organization meets certain criteria and is certified by the commissioner of the department of insurance ("commissioner"). Specifies the circumstances under which a certification may be revoked, and exempts from the certification requirement a charitable organization that pays bail for not more than two individuals in any 180 day period. Requires the commissioner to adopt rules, including emergency rules, for the certification of charitable bail organizations. Prohibits the state and a political subdivision from: (1) posting bail for any person; or (2) providing a grant to any entity that provides funding for any person who posts bail. Prohibits an entity that has received a grant from the state or a political subdivision from posting bail for any person or providing a grant, directly or indirectly, to an entity that posts bail for any person. Requires a person paying cash bail, including a charitable bail organization, to execute an agreement requiring the court to retain all or part of the bail to pay certain court costs. Requires that bail be returned to the person who posted it. Provides that a case management system developed and operated by the office of judicial administration must include a searchable field for certain information of the bail agent or a person authorized by the surety that pays bail for an individual. Provides that a court may not admit a violent defendant to bail until the court has conducted a hearing in open court. Permits a victim to be heard at the bail hearing for certain defendants. Establishes the violent arrestee pilot project in Marion County, requires a minimum bail amount for a repeat violent arrestee in Marion County, and requires the revocation of bail for a Marion County violent arrestee who commits a new felony while on bail.

HB1303

TAX CREDIT FOR ABLE ACCOUNT CONTRIBUTIONS (OLTHOFF J) Creates (beginning January 1, 2024) a stand-alone credit for contributions to Indiana ABLE accounts. Provides that a taxpayer is entitled to a credit against adjusted gross income tax equal to the least of: (1) 20% of the amount of the total contributions made by the taxpayer to an account or accounts of an Indiana ABLE 529A savings plan during the taxable year; (2) \$500; or (3) the amount of the taxpayer's adjusted gross income tax for the taxable year, reduced by the sum of all allowable credits. Provides that a taxpayer is not entitled to a carryback, carryover, or refund of an unused credit. Provides that a taxpayer may not sell, assign, convey, or otherwise transfer the tax credit. Provides that an account owner of an Indiana ABLE 529A savings plan must repay all or a part of the credit in a taxable year in which any nonqualified withdrawal is made.

HB1314 INDIANA DEPARTMENT OF HOMELAND SECURITY (BARRETT B) Provides that a surviving spouse or child of a department of homeland security (department) fire investigator is eligible to receive health coverage under the health coverage plan for active employees provided by the employer. Provides that a department fire investigator who is diagnosed with certain health conditions that result in a disability or death is presumed to have incurred the health condition in the line of duty. Provides that, not later than October 31, 2022, the department, department of health, the integrated public safety commission, and the statewide 911 board shall submit recommendations regarding: (1) ways the 911 system can increase interoperability to better facilitate an emergency medical services (EMS) response from the closest and most appropriate resource; and (2) the effectiveness of regionalized trauma systems and their impact on patient care; to the executive director of the legislative services agency for distribution to the general assembly. Provides that a department fire investigator who is diagnosed with certain cancers or heart or lung disease that results in a disability is presumed to have incurred the health condition in the line of duty. Establishes the first responder crisis intervention account within the statewide 9-8-8 trust fund for the purpose of awarding grants to

public safety agencies that provide first responder emergency services. Provides that the division of mental health and addiction shall administer the account. Provides that a fire department is required to report annually to the department information regarding each emergency response by the fire department. Provides that, in the event the fire department does not report information regarding emergency responses, the department may determine that the fire department is ineligible to receive grants administered by the department. Makes changes to how public safety fees from the retail sale of fireworks are distributed. Provides, after June 30, 2023, that the minimum basic training requirements that a volunteer firefighter must complete before the firefighter may perform emergency response duties do not include interior firefighter operations. Makes changes to various definitions used in relation to the provision of emergency medical services. Provides that the department may (rather than shall, under current law) waive any rule adopted by the emergency medical services commission for a person who provides emergency ambulance service, an emergency medical technician, an advanced emergency medical technician, a paramedic, or an ambulance when operating from a location in an adjoining state. Makes changes to notice requirements for the acquisition and location of a defibrillator. Provides that an individual who holds a license or certification issued by the emergency medical services commission is subject to disciplinary sanctions if the individual fails to notify the department in writing of any misdemeanor or felony criminal conviction, except traffic related misdemeanors other than operating a motor vehicle under the influence of a drug or alcohol, within 90 days after the entry of an order or judgment. Provides that each ambulance service shall participate in a written quality assurance program. Makes changes to the provision relating to data sharing of pre-hospital ambulance reports by the emergency medical services commission or the department. Removes obsolete provisions and makes conforming amendments. Repeals a provision requiring a person who uses a defibrillator to contact the ambulance service provider or the fire department that provides ambulance service for the area as soon as practicable.

HB1359

JUVENILE LAW MATTERS (MCNAMARA W) Requires the commission on improving the status of children in Indiana (commission) to create a statewide juvenile justice oversight body (oversight body) to do the following: (1) Develop a plan to collect and report statewide juvenile justice data. (2) Establish procedures and policies related to the use of certain screening tools and assessments. (3) Develop a statewide plan to address the provision of broader behavioral health services to children in the juvenile justice system. (4) Develop a plan for the provision of transitional services for a child who is a ward of the department of correction. (5) Develop a plan for the juvenile diversion and community alternatives grant programs. Provides that the oversight body shall, not later than July 1, 2023, submit to the commission and the legislative council: (1) the plan for the juvenile diversion and community alternatives grant programs; and (2) the juvenile justice data collection plan and the plan for the use of screening tools, assessments, and services. Requires the judicial conference of Indiana to develop statewide juvenile probation standards that are aligned with research based practices, and requires the board of directors of the judicial conference of Indiana to approve the standards by July 1, 2023. Requires the use of a risk and needs assessment tool, a risk screening tool, and a diagnostic assessment when evaluating a child at specific points in the juvenile justice system to identify the child's risk for reoffense. Requires an intake officer and the juvenile court to use the results of a detention tool to inform the use of secure detention and document the reason for the use of detention if the tool is overridden. Requires a court to: (1) after use of a detention tool, include in a court order the reason for a juvenile detention override; and (2) submit details of the juvenile detention override to the office of judicial administration (office). Requires the office to provide an annual report to the governor, chief justice, and legislative council before December 1 of each year that includes information about a court's use of a detention tool and reasons for overriding the results of the detention tool. Provides that a child less than 12 years of age cannot be detained unless detention is essential to protect the community and no reasonable alternatives exist to reduce the risk. Establishes a procedure for juvenile diversion. Requires the office to provide an annual report to the governor, chief justice, and legislative council before December 1 of each year that includes data on any child diverted through the juvenile diversion program. Repeals provisions requiring a child who participates in a program of informal adjustment to pay an informal adjustment program fee. Provides that a child who is a ward of the department of correction may receive at least three months of transitional services to support reintegration of the child back into the community and to reduce recidivism. Requires the department of correction to provide an annual report to the governor, chief justice, and legislative council before December 1 of each year that includes collected data that will help assess the impact of reintegration improvements for juveniles, including tracking recidivism beyond incarceration and into the adult system. Provides that a juvenile

court may recommend telehealth services as an alternative to a child receiving a diagnostic assessment. Establishes: (1) the juvenile diversion and community alternatives grant programs and grant programs fund; and (2) the juvenile behavioral health competitive grant pilot program and grant pilot program fund; as of July 1, 2023. Requires the Indiana criminal justice institute (institute) to administer each program and fund. Requires the local or regional justice reinvestment advisory council or another local collaborative body to oversee certain juvenile community alternatives grants awarded to a county. Requires the institute to prepare an annual report to the governor, chief justice, and legislative council before December 1 of each year that details certain performance measures that counties receiving grants must collect and report. Requires the office of judicial administration to administer the statewide juvenile justice data aggregation plan. Makes conforming changes. Makes a technical correction.

ELECTRONIC MONITORING STANDARDS (WALKER K) Requires the justice reinvestment advisory council to conduct a review of statutes concerning electronic monitoring and home detention and provide a recommendation with regard to electronic monitoring standards to the legislative council in an electronic format not later than December 1, 2022. Establishes standards, including notification time frames, for persons and entities responsible for monitoring individuals required to wear a monitoring device as a condition of probation, parole, pretrial release, or community corrections. Provides immunity for acts or omissions performed in connection with implementing monitoring standards. Provides that a defendant commits escape if: (1) the defendant disables or interferes with the operation of an electronic monitoring device; or (2) the defendant violates certain conditions of home detention (under current law, any violation of a condition of home detention constitutes escape). Makes escape committed by a juvenile status offender a status offense under certain circumstances. Makes conforming amendments.

SALE OF TAX SALE PROPERTIES TO NONPROFITS (YOUNG M) Permits a county treasurer in a county having a consolidated city to offer for sale a tract or item of real property on the county auditor's tax sale list: (1) that is not used as a person's principal place of residence and receiving a homestead standard deduction for the most recent assessment date; (2) that is unsold after two or more public sales; and (3) for which a set off has not been obtained against the delinquent debt owed on the real property; to an eligible nonprofit entity prior to a regularly scheduled tax sale. Provides that not more than 5% of the real property on the tax sale list may be sold to eligible nonprofit entities. Requires an eligible nonprofit entity to file certain information with the county executive not later than 45 days prior to the tax sale in order to participate in an early sale. Requires, before January 1, 2023, and before each January 1 thereafter, the county executive to provide an annual report to the legislative council concerning the sale of tax sale properties to eligible nonprofit entities.

DRAINAGE TASK FORCE (LEISING J) Establishes a drainage task force consisting of six members of the senate, six members of the house of representatives, and seven other individuals. Requires the task force to: (1) review the responsibilities of landowners and state and local authorities under current laws relating to the drainage of land; (2) make certain determinations concerning drainage and regulatory matters; and (3) determine whether the balance between state authority and local authority over drainage of agricultural land favors state authority more in Indiana than in neighboring states. Authorizes the task force to make recommendations. Requires the task force to issue a report and, not later than December 1, 2023, submit the report to the executive director of the legislative services agency for distribution to the members of the general assembly and to the governor.

MANUFACTURED HOUSING IN MOBILE HOME COMMUNITY (DORIOT B) Prohibits a governmental body from regulating or restricting the installation of a mobile home, manufactured home, or industrialized residential structure within a mobile home community based on the age or size of the mobile home, manufactured home, or industrialized residential structure, regardless of whether: (1) the mobile home, manufactured home, or industrialized residential structure; or (2) the lot on which, or the mobile home community in which, it is or will be located or installed; constitutes a conforming structure or use, or a legal, nonconforming structure or use. Provides that after March 14, 2022: (1) a unit may not adopt, impose, amend, or enforce a regulation, or a provision in a regulation, that violates this prohibition, regardless of when the regulation or provision was originally adopted or imposed; and (2) any provision that: (A) is included in a regulation adopted or imposed by a unit; and (B) violates this prohibition; is void and unenforceable regardless of when the regulation or provision was originally adopted or imposed. Prohibits a unit from adopting, imposing, or enforcing a regulation that mandates size requirements for, or that is based on the age of, a mobile home, a manufactured home, or an industrialized residential structure that will be installed in a mobile home community, regardless of whether the mobile home community, or any part of the mobile home community,

constitutes: (1) a conforming structure or use; or (2) a legal, nonconforming structure or use. Provides that after March 14, 2022: (1) a unit may not adopt, impose, amend, or enforce a regulation, or a provision in a regulation, that violates this prohibition, regardless of when the regulation or provision was originally adopted or imposed; and (2) any provision that: (A) is included in a regulation adopted or imposed by a unit; and (B) violates this prohibition; is void and unenforceable regardless of when the regulation or provision was originally adopted or imposed. Provides that a mobile home community operator who attempts to exclude an owner with the intent to evade the requirement that the operator provide notice not less than 180 days before the date of an intended closure commits a deceptive act that is actionable by the attorney general. Amends the statute concerning the reconstruction of nonconforming structures to provide that whenever a legal, nonconforming structure, including: (1) a mobile home; (2) a manufactured home; or (3) an industrialized residential structure; on a parcel of real property used for residential purposes in a mobile home community is removed, the owner of the parcel shall be permitted to replace the structure without losing the status of the structure or parcel as a legal, nonconforming structure or use if the replacement meets the existing statutory requirements. Provides that these provisions concerning the continuing status of the structure or parcel in a mobile home community as a legal, nonconforming structure or use apply after March 14, 2022, regardless of whether: (1) the structure or parcel is conferred status as a legal, nonconforming structure or use; or (2) the legal nonconforming structure is: (A) damaged, destroyed, or removed; or (B) reconstructed, renovated, repaired, or replaced; before or after March 15, 2022.

PROPERTY TAX MATTERS (BUCHANAN B) Provides that the true tax value of commercial real property commercial property with a structure, or a portion thereof, that: (1) is at least 100,000 square feet in area; (2) is used for retail purposes; and (3) is occupied by a single retailer; shall be determined by application of the cost approach. Provides that the application of the cost approach requirement is not applicable if the property was: (1) vacated by the original occupant for which the property was constructed; (2) constructed more than five years prior to the assessment date; or (3) substantially and adversely impacted by a change in a roadway or traffic pattern. Provides that estimates of depreciation and obsolescence shall not be based on data derived from the sales comparison or income capitalization approaches. Requires the department of local government finance (department) to establish a standard construction cost per square foot for the purpose of applying the cost approach. Requires the department to update the standard construction cost per square foot annually. Provides that when requesting a review, a taxpayer may present an appraisal based on the cost approach as evidence that the actual construction cost was lower than the department's determined standard construction cost per square foot that was used to assess the property. Provides that the parties to any appeal may enter into a written agreement to stipulate to the true tax value of the property. Provides that the

fiscal officer of the county may establish a separate account for the tax receipts that are attributable to the property tax assessment that is the subject of review.

REGULATION OF DAMS (DONATO S) Provides that the laws regulating dams do not apply to a structure that is a low hazard dam or significant hazard dam that meets only one of the following conditions: (1) Has a drainage area above the dam of not more than one square mile. (2) Does not exceed 20 feet in height. (3) Does not impound a volume of more than 100 acre-feet of water. Requires the department of natural resources (department) to establish a classification system for dams based on: (1) the height of the structure and the volume of water impounded by the structure; and (2) the force of the water and the likely consequences resulting from the uncontrolled release of its contents due to a failure or misoperation of the structure. Changes the standard to determine potential consequences for a failure from "may cause" to "likely to cause". Provides that for a dam constructed after June 30, 2022, if the department determines that the property owner's structure is a high hazard, significant hazard, or low hazard dam, the department shall provide the property owner with a notice stating the classification of the dam that the property owner owns. Requires that, notwithstanding an engineering inspection performed by the property owner or a consultant of the property owner, the department provide the property owner notice at least five days before performing an inspection. Requires the property owner of a high hazard dam to prepare an emergency action plan and provide a copy to the department and the emergency management agency. Provides that changes to the law do not affect past inspections.

SB271

SMALL MODULAR NUCLEAR REACTORS (KOCH E) Amends the statute governing certificates of public convenience and necessity (certificates) that are issued by the Indiana utility regulatory commission (IURC) for the construction, lease, or purchase of electric generation facilities to require the IURC, in consultation with the department of environmental management (department), to adopt rules concerning the granting of certificates for the construction, purchase, or lease of small modular nuclear reactors: (1) in Indiana for the generation of electricity to be used to furnish public utility service to Indiana customers; or (2) at the site of a nuclear energy production or generating facility that supplies electricity to Indiana retail customers on July 1, 2011. Requires the IURC to adopt the rules not later than July 1, 2023. Provides that the rules adopted by the IURC must provide that in acting on a public utility's petition for a certificate for one or more small modular nuclear reactors, the IURC shall consider the following: (1) Whether, and to what extent, the one or more small modular nuclear reactors proposed by the public utility will replace a loss of generating capacity in the public utility's portfolio resulting from the retirement or planned retirement of one or more of existing electric generating facilities that: (A) are located in Indiana; and (B) use coal or natural gas as a fuel source. (2) Whether one or more of the small modular nuclear reactors will be located on the same site as or near the facility to be retired and, if so, potential opportunities for the public utility to: (A) make use of any land and existing infrastructure or facilities already owned or under the control of the public utility; or (B) create new employment opportunities for workers who have been, or would be, displaced as a result of the retirement of the existing facility. Provides that the IURC's rules must provide that the IURC may grant a certificate under circumstances and for locations other than these. Sets forth additional requirements for small modular nuclear reactors that must be included in the IURC's rules, including the requirement that the owner or operator of a proposed small modular nuclear reactor must provide evidence of a plan to apply for all licenses or permits to construct or operate the proposed small modular nuclear reactor required by the United States Nuclear Regulatory Commission, the department, or any other relevant state or federal regulatory agency. Amends the statute providing certain financial incentives for energy utilities that invest in clean energy projects by providing that, for purposes of the statute, a "clean energy project" and a "nuclear energy production or generating facility" include a small modular nuclear reactor that is constructed after June 30, 2023: (1) in Indiana for the generation of electricity to be used to furnish public utility service to Indiana customers; or (2) at the site of a nuclear energy production or generating facility that supplies electricity to Indiana retail customers on July 1, 2011; under the rules adopted by the IURC under the bill. Defines "small modular nuclear reactor" for purposes of the bill's provisions.

SB272

WASTEWATER INFRASTRUCTURE (KOCH E) Provides that the Indiana finance authority (authority) shall serve as the executive branch coordinator for funds allocated or made available to the state or local communities from federal, state, and other sources for purposes related to drinking water, wastewater, or storm water infrastructure and systems. Sets forth the duties of the authority with respect to this role. Specifies that the authority shall coordinate the executive branch activities related to the state's drinking water and wastewater programs. (Current law provides that the authority shall serve such a role with respect to the state's water programs.) Authorizes the establishment of a drinking water and wastewater infrastructure research and extension program (program) to provide data collection and information, training, and technical assistance concerning: (1) drinking water infrastructure; (2) wastewater infrastructure; and (3) storm water infrastructure; in Indiana. Provides that the authority may: (1) contract with a state supported college or university in Indiana to provide the program; and (2) financially support the program from existing funds appropriated to the authority. Provides that the program may be housed within, or share staff with, the existing research and highway extension program at Purdue University. Provides that the program may provide the following services and programs to, or for the benefit of, utilities providing drinking water, wastewater, or storm water service in Indiana: (1) Assisting utilities in the development of asset management programs. (2) Serving as a central repository for data concerning infrastructure used to provide drinking water, wastewater, or storm water service in Indiana. (3) Providing training and technical assistance to utilities and Indiana's drinking water, wastewater, and storm water utility industry workforces. Requires the authority to make, not later than July 1, 2023, all: (1) utility asset management programs; and (2) information concerning utility asset lifecycle management costs; submitted to or reviewed by the authority available on an Internet web site maintained by the authority or the program. Requires that in carrying out all information gathering and reporting duties under the bill's provisions, the authority and the program shall use any data the authority or the program acquires in a manner that: (1) protects the confidential information of individual utilities and customers; and (2) is consistent with applicable statutory exclusions from disclosure under the state's public records act. Provides that as a condition for receiving a loan, grant, or other financial assistance after June 30, 2023, through the wastewater revolving loan program, the drinking water revolving loan program, the water infrastructure assistance program, or the water infrastructure grant program, a participant must do the following: (1) Submit the participant's required asset management program to the authority not later than the time of submission of the participant's preliminary engineering report for any project for which the loan, grant, or other financial assistance will be provided. (Current law does not specify when the asset management program must be submitted.) (2) Submit to the authority information on the estimated and actual life cycle management costs over the useful life of the asset financed. (3) In the case of a participant that is not under the jurisdiction of the Indiana utility regulatory commission (IURC), regularly report to all: (A) customers; (B) counties; and (C) municipalities; within the participant's service territory information concerning the participant's asset management program. Provides that money in the: (1) supplemental drinking water and wastewater assistance fund; (2) water infrastructure assistance fund; and (3) water infrastructure grant fund; may be used to provide grants, loans, or other financial assistance for the planning, designing, acquisition, construction, renovation, improvement, or expansion of septic relief systems, in accordance with guidelines of the authority. Provides that the authority's project prioritization system for awarding assistance from the water infrastructure assistance fund and the water infrastructure grant fund must include as a variable the effect of a project on the environment. Provides for the following with respect to a wastewater utility that is not subject to the jurisdiction of the IURC for the approval of rates and charges and that has been issued one or more enforcement orders (orders) relating to environmental or health and human safety issues by the department of environmental management (department) after June 30, 2022: (1) For the first order, the utility is subject to an informal review of its: (A) rates and charges; and (B) asset management program; by the IURC, in accordance with procedures determined by the IURC. (2) For a second order that is issued within two years of the first order, the utility is subject to rate regulation, following two base rate cases, by the IURC for a minimum period of: (A) five years from the IURC's order in the first base rate case; and (B) one year from the IURC's order in the second base rate case. (3) For any order issued during the required rate regulation period, the IURC may, in consultation with the department, initiate a receivership proceeding with respect to the utility. Requires the state board of education (state board) to approve, for purposes of the state's career and technical education graduation pathway, a utility career cluster that allows students to acquire knowledge and skills related to employment in the electric, natural gas, communications, water, and wastewater utility industries. Requires the

governor's workforce cabinet, in consultation with the state board, the department of education, and the department of workforce development, to create course sequences for the utility career cluster.

SB273

FINANCING OF WATER AND WASTEWATER UTILITY ASSETS (KOCH E) Provides that the IURC may approve periodic tracking mechanisms for water or wastewater utilities to permit such utilities to recover the following: (1) Changes in property taxes. (2) With respect to customers located within the geographic boundaries of local units of government, incremental costs of operation and maintenance resulting from policies or ordinances that are adopted by those local units and that the IURC determines to be unusual but not necessarily unreasonable. Requires the IURC to adopt rules to define what is unreasonable with respect to road cut permits and other specifications or policies established by a local unit that imposes costs on water or wastewater utilities. Amends the statute concerning wholesale water sales between small water utilities by increasing from 5,000 to 8,000 the threshold number of customers served by a water utility (as either a purchaser or supplier) for purposes of the statute. Amends the statute governing infrastructure improvement charges for water or wastewater utilities as follows: (1) Specifies that an "eligible infrastructure improvement" includes: (A) a project to relocate existing utility plant, including projects to accommodate the construction, reconstruction, or improvement of a highway, street, or road; and (B) a project that does not increase revenues by connecting to new customers, even if the project provides greater available capacity with respect to an eligible utility's distribution or collection plant. (2) Sets forth distinctions for public utilities, municipally owned utilities, and not-for-profit utilities with respect to: (A) costs that are eligible for recovery under the statute; (B) the factors the IURC may consider in determining the amount of allowable cost recovery; and (C) the

resetting of the adjustment amount after a base rate case. (3) Specifies that the limitation restricting total adjustment revenues to 10% of an eligible utility's most recently approved base revenue level does not apply with respect to property taxes associated with eligible infrastructure improvements. Amends provisions in the Indiana Code chapter concerning a utility company's acquisition of an offered water or wastewater utility, by providing that the rates charged by the acquiring utility company are not considered to increase unreasonably as a result of the acquisition if the net original cost of the acquired assets does not exceed 2% of the acquiring utility company's net original cost rate base as determined in the acquiring utility's most recent general rate case, plus any adjustments to the rate base resulting from: (1) an infrastructure improvement charge; or (2) an adjustment rider for service enhancement improvement costs; that have occurred after the rate case. Makes a similar change to the Indiana Code section concerning the sale of a municipally owned utility's nonsurplus utility property.

SB278

INDIANA GEOLOGICAL AND WATER SURVEY ADVISORY COUNCIL (ZAY A) Establishes, rather than allows the president of Indiana University to appoint, a geological and water survey advisory council (council). Increases the number of members from nine to 11 and specifies who shall serve on the council. Requires the state geologist to serve as secretary of the council. Provides that the state geologist may cast the deciding vote to break a tie. Requires the council to meet quarterly. Establishes the center for water within the Indiana geological and water survey (survey) at Indiana University for the purpose of: (1) carrying out the survey's statutory duties concerning Indiana's water resources; (2) supporting long term studies of the state's water resources; and (3) upon request, providing resources to state agencies, municipalities, and soil and water conservation groups. Establishes the center for energy within the survey for similar purposes with respect to Indiana's natural energy resources. Allows the Indiana board of licensure for professional geologists (board) to elect a secretary who is not a member of the board. (Current law requires that the secretary of the board be elected from among the members of the board.) Increases the number of times the board is required to meet to at least two times each year. Allows a licensed professional geologist to request an informal review not more than 30 days after receiving a complaint. (Current law requires the request for an informal review to be made within 20 days.) Provides that if the board compels a licensed professional geologist to respond to a complaint or charges, the notification must be sent by certified mail and the response must be in writing. Allows a geologist who is licensed in another state to be licensed in Indiana if the other state's standards are substantially equal to Indiana's requirements. Requires a licensed professional geologist to obtain continuing education in the geological sciences as a condition of license renewal. Specifies that these continuing education requirements do not apply to a person who is not licensed as a professional geologist under Indiana law. Makes technical changes.

ANNEXATION OF FIRE PROTECTION DISTRICT TERRITORY (ROGERS L) Provides the following with regard to certain annexations that include property within a fire protection district (district) for which the annexation ordinance was adopted after December 31, 2020: (1) The annexation is effective at least 30 days after the annexation ordinance is adopted, published, and filed with state and county officials. (Under current law, with certain exceptions, an annexation of property within a district takes effect the second January 1 after the ordinance is adopted and filed with state and county officials.) (2) Exempts the municipality from provisions requiring the municipality to: (A) commence fire protection service to the annexed territory on the ordinance's effective date; and (B) notify the district within 10 days of commencing fire protection service to the annexed territory. Makes stylistic changes.

ELECTIONS (FORD J) Requires the director, assistant director, or co-director of a board of elections and registration (rather than a member of the board) to attend a meeting called by the election division. Allows a member of a county election board to attend a meeting called by the election division. Provides reimbursement for the individuals who attend the meeting (current law only provides reimbursement for those required to attend). Makes changes to the county election officials instructional meeting, including duration, compensation and expenses. Provides that the county chairman of a political party in Marion County may not hold a local office or be a candidate for a local office. Provides that record retention under seal does not prevent counties from conducting post-election audits as authorized by statute. Provides that a voter with print disabilities who chooses to vote by electronic mail must have the voter's absentee ballot application submitted to the circuit court clerk not later than 11:59 p.m. 12 days before election day. Provides that except for casting a replacement ballot under election law, a voter who knowingly or intentionally votes more than one ballot in the same election commits a Level 6 felony. Makes a technical correction.

ECONOMIC DEVELOPMENT (MISHLER R) Makes certain amendments to the hoosier business investment tax credit,

the economic development for a growing economy tax credit, the headquarters relocation tax credit, and the redevelopment tax credit. Adds veteran owned businesses to the list of businesses that would qualify for an enhanced venture capital tax credit. Limits the total amount of credits that the Indiana economic development corporation (IEDC) may award for a calendar year for all applicable tax credits to \$300,000,000. Specifies the procedure by which the IEDC may designate an area as an innovation development district (district). Provides that an innovation development district board (board) must be established to govern each innovation development district. Requires the IEDC to enter into a final agreement with the board establishing the terms and conditions governing a district. Requires the board to establish a local innovation development district fund for a district. Provides for the uses of money in a local innovation development district fund. Provides that money in a local innovation development district fund is continuously appropriated for the uses of the fund. Authorizes a county, city, or town to establish a workforce retention and recruitment program and fund (fund) for the purposes of recruiting and retaining individuals who will satisfy the current and future workforce needs of the unit's employers or provide substantial economic impact to the unit, including providing incentives in the form of grants or loans to qualified workers. Authorizes the unit to transfer money into the fund from other sources. Provides that the executive of the unit shall administer the fund in coordination with a workforce fund board of managers appointed by the executive of the unit. Provides that the IEDC may award a tax credit for media production expenses for certain media productions in Indiana beginning July 1, 2023. Provides for the augmentation of the amount appropriated to the IEDC in an amount not to exceed \$300,000,000 for the purposes of business promotion and innovation. Specifies that funds appropriated to the IEDC for the purposes of business promotion and innovation do not revert to the state general fund. Requires the IEDC to identify state laws and regulations that burden existing businesses or inhibit creation of new businesses and provide a report with recommendations to the general assembly and budget committee. Makes conforming changes.

REGULATION OF RADIOACTIVE MATERIAL (CRIDER M) Establishes Indiana as a nuclear regulatory agreement state upon approval by the U.S. Nuclear Regulatory Commission (commission) and the signing of an agreement by the governor and the chairman of the commission. Establishes the policies and purposes of the agreement in regulating certain radioactive items. Provides that the Indiana department of homeland security (department) is responsible for carrying out the duties of the agreement. Tasks the department to create rules, regulations, and protocols for the enforcement of the agreement. Requires the department to create licensing procedures for radioactive materials. Provides that the department shall create fee structures for the regulation of various radioactive services. Establishes

the radiation site closure and disposal fund and the radiation long-term care fund. Permits the department to enter public and private property to ensure compliance with radiation regulations under certain conditions. Provides that the governor and the department may enter into agreements with the commission. Supersedes municipality or county regulation of certain radioactive materials. Prohibits the use or possession of certain radioactive materials unless licensed by the department. Grants the department emergency authority to impound radioactive materials in the possession of a person who is not in compliance with the department. Provides civil penalties for violations of certain rules.

VARIOUS TAX MATTERS (HOLDMAN T) Allows certain corporations to make an election to determine the corporation's state adjusted gross income tax under specified provisions. Requires all wagering taxes to be reported and remitted electronically through the department of state revenue (department) online tax filing program. Amends the distribution date for certain alcoholic beverage tax revenue and wagering tax and fee revenue. Clarifies provisions regarding application of the sales tax to transactions in which a person acquires an aircraft for rental or leasing in the ordinary course of the person's business. Reorganizes and revises provisions that apply to the sales tax exemption for nonprofit organizations. Reorganizes and revises provisions regarding sales tax exemptions for utilities. Provides required report filing deadlines for exempt transactions for certain retail merchants. Provides that if an amount would have been excludible under Section 108(f)(5) of the Internal Revenue Code as in effect on January 1, 2020, the amount is not required to be added back under the Indiana adjusted gross income provisions. Adds the term "alternative nicotine products" to various provisions. Requires certain state or local government employees to submit to criminal history background checks at least once every five years (as opposed to 10 years under current law). Allows certain small businesses to deduct amounts paid for health insurance premiums from Indiana adjusted gross income. Provides that the true tax value of a self-service storage facility must be determined based solely on the land and the improvements, less normal depreciation and normal obsolescence, and must exclude business intangible value. Amends sales tax provisions that apply to wholesale sales. Clarifies that a marketplace facilitator is considered the retail merchant for transactions it facilitates on its marketplace regardless as to whether the marketplace facilitator has a contractual relationship with the seller. Allows nonresident shareholders and partners of a partnership to make an election to opt out of withholding tax requirements in certain specified circumstances. Clarifies the reporting process used for distribution of local income tax revenue to conform to current practice. Amends due date provisions for returns, refunds, assessments, or other submissions under the state income tax and financial institutions tax. Provides that an election by a corporation to make a consolidated return continues to apply following a corporate reorganization or sale. Makes technical and clarifying changes to the procedures for reporting federal

partnership audit adjustments. Increases the number of years a local income tax (LIT) expenditure tax rate for correctional facilities and rehabilitation facilities may be imposed from 22 to 25 years in the case of a tax rate adopted after June 30, 2022. Adds procedures to allow the department to offset LIT distributions to local units when an over distribution has been made either in error or because a taxpayer refund is approved after the distribution. Makes a technical correction to tax penalty provisions that apply to pass through entities. Reduces the tax rate imposed on the distribution of closed system cartridges beginning July 1, 2022, from 25% to 15% of the wholesale price. Requires remote sellers to collect the tobacco product tax on taxable products. Provides a more specific definition of "tobacco products" for purposes of the tobacco products tax. Imposes a tax on the distribution of alternative nicotine products in Indiana based on a rate of \$0.40 per ounce of the product weight as listed by the manufacturer. Defines "alternative nicotine products" for purposes of the tax. Clarifies that, in the case of distributor to distributor transactions, the tobacco products tax is imposed at the time a distributor first receives the tobacco products in Indiana. Amends provisions that apply to a refund of a tobacco products license fee when a license is surrendered to the department before its expiration. Imposes a penalty on retailers who purchase tobacco products or cigarettes from a distributor who has not obtained a registration certificate from the department (or whose registration certification is revoked or suspended). Authorizes the department to revoke or suspend a registration certificate for failure to comply with certain reporting requirements. Provides the basis upon which the department may refuse to issue or renew a registration certificate. Provides that the department may require reporting of any information reasonably necessary to determine alcoholic beverage excise tax liability. Clarifies provisions that specify the effective date of an innkeeper's tax ordinance and the subsequent tax collection duties of the department. Adds similar provisions under the food and beverage tax. Requires the budget agency to transfer \$7,100,000 from the state general fund to the Indiana geographic information office (office) to be used for the purposes of funding the office and the implementation of the geographic information system (GIS) for the department of revenue local income tax purposes. Requires the budget agency to augment the amount of money appropriated to the department of state revenue in 2021 for purposes of funding the geographic information office. Requires the budget agency to create a report on the current GIS related contract costs for all state agencies that could be eliminated in order to offset the required future state appropriations needed to fund the office and submit the report to the interim study committee on fiscal policy before November 1, 2022. Makes conforming changes. Changes population parameters to reflect the population count determined under the 2020 decennial census. Provides that revenue received from the Nashville food and beverage tax may be used for grants to local businesses to make building improvements. Removes an outdated reference in the Indiana administrative code regarding a property tax exemption for public airports.

FOREIGN GIFTS AND OWNERSHIP OF AGRICULTURAL LAND (MESSMER M) Requires a postsecondary educational institution (institution) to submit a disclosure report to the Indiana commissioner for higher education of gifts of at least \$50,000 from a foreign source. Provides that certain information for each institution shall be posted on the commission for higher education's (commission) Internet web site. Provides that whenever it appears that an institution has failed to comply with gift disclosure requirements, a civil action may be brought by the attorney general or at the request of: (1) a member of the general assembly; (2) the governor; (3) a member of the commission; (4) a member of the state board of education; or (5) an Indiana taxpayer; to compel compliance with the gift disclosure requirements. Provides that beginning July 1, 2022, a foreign business entity may not acquire agricultural land located within Indiana for the purposes of farming or timber production. Specifies exceptions. Prohibits a foreign business entity that owns agricultural land located within Indiana from transferring the agricultural land to another foreign business entity after June 30, 2022. Requires a foreign business entity to report the acquisition, sale, or transfer of agricultural land located within Indiana to the secretary of state. Provides that agricultural land acquired, sold, or transferred in violation of law is subject to forfeiture to the state. Adds a provision to prohibit business entities organized under the laws of the Russian Federation from holding and conveying real property located within Indiana.
