Aim Handbook Order Form

The Indiana Elected Municipal Officials Handbook is a 200-page reference guide published by Aim for city and town officials. The handbook reviews the structure and operations of city and town government, applicable statutes, and sources of state and federal programs.

Municipal Membership Copy

Provided as a member service, every city and town member of Aim received **one copy** of the Handbook in January 2020. Aim used 2019 dues paid to determine municipal membership status. For cities, the member copy was mailed to the Mayor. For towns, the member copy was mailed to the Clerk-Treasurer.

The link to a digital copy of the Handbook will be provided at no charge to all Aim Municipal, Corporate, and IMLA members.
