

HB1001

STATE BUDGET (THOMPSON J) Appropriates money for capital expenditures, the operation of the state, K-12 and higher education, the delivery of Medicaid and other services, and various other distributions and purposes. Requires a researcher to execute a data sharing agreement that is approved by the management performance hub (MPH) to receive access to confidential records. Provides that the auditor of state is also known as the state comptroller. Provides that, after June 30, 2023, the auditor of state shall use the title "state comptroller" in conducting state business, in all contracts, on business cards, on stationery, and with other means of communication as necessary. Establishes the attorney general contingency fee fund. Establishes the opioid settlement fund into which funds received from opioid litigation settlements must be deposited. Allows the budget committee to submit the budget report and budget bill or bills to the governor on or before the second Monday of January, or the third Monday of January in the year in which a gubernatorial election is held (instead of before that date). Requires the state personnel department to require a contractor, when contracting for health care coverage for state employees, to use value based coverage. Repeals a provision that makes a state general fund appropriation to the board of trustees of the Indiana public retirement system if the money available in the special death benefits fund is insufficient to pay death benefit claims. Allows the Indiana economic development corporation (IEDC) to certify an applicable tax credit that exceeds the maximum allowable amount after review by the budget committee. Provides that the READI program expires June 30, 2026. Establishes the capital for collaborative communities program and fund to provide grants and loans to support proposals for regional capital and infrastructure projects. Provides that the IEDC shall administer the fund. Establishes a state tax credit for a taxpayer that makes certain qualified child care expenditures in providing child care to the taxpayer's employees. Extends provisions for the gasoline tax and the special fuel tax rates. Changes the stamp discount for cigarette distributors from \$0.013 to \$0.025. Changes the cigarette tax distribution to remove the 0.6% distribution to the mental health centers fund and instead requires that amount to be deposited in the state general fund. Repeals the fire training infrastructure fund. Establishes the regional public safety training fund. Allows certain members of the public employees' retirement fund or Indiana state teachers' retirement fund to file an election to begin receiving retirement benefits while holding a position. Changes the state police pre-1987 benefit and supplemental pension benefit calculation from being based on the sixth year of service to the fourth year of service. Changes the number of years of service on which the salary matrix for state police employees and other enforcement officers is based to 15 years (instead of 20 years). Repeals the public mass transportation fund. Requires the department of correction to deposit the amount appropriated for the county misdemeanor fund by a county's multiplier. Requires the office of Medicaid policy and planning (office) to: (1) develop a schedule for the review of Medicaid reimbursement rates; and (2) provide a copy of the schedule to the budget committee; not later than November 1, 2023. Makes changes to the definition of an "eligible child" for purposes of the prekindergarten pilot program (On My Way Pre-K program). Repeals the distribution schedule for appropriations made for certain child development programs. Deletes reimbursement rate parameters for reimbursement of managed care organizations under the healthy Indiana plan. Extends the sunset for the invasive species council and fund from July 1, 2023, to July 1, 2031. Extends the sunset of the collection of hospital assessment fees and health facility quality assessment fees from June 30, 2023, to June 30, 2025. Establishes the career advising grant program and fund. Prohibits school corporations and charter schools from charging a fee for curricular materials to students. Provides that the parent of a student or an emancipated minor who attends an accredited nonpublic school and who meets financial eligibility requirements may request reimbursement of fees charged for curricular materials. Establishes the curricular materials fund. Repeals a provision that allows money in a school's debt service fund to be used for unreimbursed curricular materials costs. Extends the sunset of the student learning recovery grant program from July 1, 2023, to July 1, 2025. Repeals the special education fund. Establishes the Indiana education scholarship account donation fund to accept donations for administration of the Indiana education scholarship account program. Requires a county auditor to distribute a portion of revenue received from a school corporation's operations fund property tax levy to certain charter schools (excludes school corporations that are designated as a distressed political subdivision). Requires charter schools that receive a distribution of tax levy revenue to establish an operations fund and education fund under the same provisions that apply to school corporations. Provides that in order to receive a distribution of tax levy revenue, a charter school must adopt a budget for the school year following a public meeting. Requires the commission for higher education to create a separate higher educational operating funding outcomes based formula (funding formula) for Ivy Tech Community College. Requires, on or before July 1, 2023, budget committee review of all of the funding formulas created and approved by the commission. Provides that state appropriations may not be used to pay for the administration, operation, or programs of the Kinsey Institute for Research in Sex, Gender, and Reproduction. Requires the department of child services to create and implement a pilot program to contract with private attorneys to provide representation in certain cases in two specified regions of Indiana, instead of employing in-house staff-attorneys for those regions, and provide an annual report to the budget committee regarding the pilot program. Provides that state user fees remaining after required distributions shall be distributed to the state general fund (instead of the court technology fund). Transfers the division of weights and measures (division) currently within the Indiana department of health to a division within the secretary of state's office with the same rights, duties, and powers regarding coal delivery tickets (IC 24-4-4) and weights, measures, and labeling (IC 24-6) as the division has under the Indiana department of health. Transfers from the Indiana department of health to the secretary of state's office the duties for: (1) inspection, labeling, and registration of motor fuel and motor fuel outlets (currently in IC 16-

44-3); and (2) regulation of lodging facilities and bedding materials (currently in IC 16-41-32). Recodifies those provisions. Requires the state comptroller to deposit distributions of pro bono legal services fees received from the: (1) clerk of a circuit court; (2) clerk of a city or town court; or (3) Marion County small claims court; in the pro bono legal services fund. Provides that a part of state user fees shall be deposited in the Indiana secured school fund. Specifies the a

HB1315 HOME WARRANTIES AND REGULATION OF RESIDENTIAL STRUCTURES (MILLER D) Allows a builder to disclaim implied warranties for a new home that is first occupied by a person renting the home as a residence from the initial home buyer. Allows a builder to disclaim implied warranties on a model home in the same manner as a home that is first occupied as a residence. Prohibits regulation of a mobile home, a manufactured home, or an industrialized residential structure on private property (other than within a mobile home community) based on age. Allows the owner of a legal, nonconforming residential structure on private property that is damaged or destroyed to replace or repair the structure without losing legal nonconforming use status as long as the structure continues to be used for residential purposes. Provides that a comprehensive plan and ordinance in a county (other than Marion County) may not preclude the installation of manufactured homes that exceed a certain width (in addition to a certain square footage) as permanent residences on a lot on which any other type of dwelling unit may be placed. Provides that after June 30, 2023, a mobile home, a manufactured home, or an industrialized residential structure is not considered a new home or model home subject to the provisions concerning home warranties. Prohibits a county, city, or town from exercising its planning and zoning authority in a way that differentiates between fraternity and sorority houses on the sole basis of whether the fraternity or sorority is officially approved or recognized by the college or university.

HB1336 VARIOUS ELECTION LAW MATTERS (WESCO T) Adds the U.S. Space Force to the definition of "uniformed services" in election law. Provides that electronic signatures may be used for the reporting of campaign contributions and expenditures. Provides that election form approval procedures do not apply to a form incorporated only into the statewide voter registration system. Makes other technical changes relating to approval of election forms. Provides that a statute prohibiting the use of the circuit court clerk's name on a ballot if the clerk is a candidate for an office on the ballot does not apply if the only office for which the individual is a candidate is a political party office. Requires a

candidate to specify on the candidate's candidacy document each designation that the candidate wants to use on the ballot. Requires the election division to design all candidacy documents so that the form of the document enables the candidate to insert in a separate field of the document each of the separate designations that a candidate is permitted to use under election law. Provides that an individual is considered to have resigned as an elected official of a unit when the person becomes an employee of the unit the individual serves as an elected official. Provides that certain mailings required by election law be sent by first class mail with tracking rather than by certified mail. Provides that a statute that permits removal and fining of a precinct election officer who fails to perform duties is applicable to an absentee voter board member and to an absentee ballot counter. Authorizes a county election board to permit individuals who are candidates for certain political party offices and relatives of such individuals to serve as precinct election officers if the county election board finds that enough individuals are not available to serve as precinct election officers. Requires the bureau of motor vehicles commission to forward the voter registration part of an application and any declination to register to the election division for transmittal to the appropriate county voter registration office. Adds law enforcement agencies that receive voter registrations to the list of voter registration agencies that are not subject to certain requirements relating to filing voter registration applications. Provides that the statewide voter registration system must contain a feature that identifies potential nonresidential addresses submitted on voter registration applications. Provides additional procedures for updating a copy of a voter's original signature in the statewide voter registration file. Adds judges of city and town courts to the list of officials that must file a statement of economic interest before filing a candidacy document. Provides that an officeholder is not entitled to salary until a statement of economic interest is filed, if required. Provides that, for purposes of determining whether a candidate is affiliated with a particular major political party, the candidate must have voted in that party's two most recent primary elections. (Under current law, a candidate is required to have voted in the political party's most recent primary election.) Provides that if an election district is included entirely within one precinct, and does not include the entire precinct, the petition of nomination must be signed by at least five voters of the election district. Provides that if a special election to fill a vacancy in the office of United States Representative is held on the same day of the election to elect the individual to serve in the succeeding term, an individual may appear on the ballot as a candidate in both elections. Provides that in such an election for United States Representative, the ballot must list the election to fill the office vacancy immediately after the election for the next term of the office. Requires the chair of a political committee to file a final report for a treasurer if the treasurer has died or is otherwise unable to file the report. Provides that the statute requiring reporting of "large" campaign contributions does not require the reporting of a contribution unless it is accepted by the candidate's candidate committee. Provides language for printing on ballots when no candidate has filed for the office. Eliminates the requirement that counties send duplicate copies of state election returns to the election division. Provides that a county executive is not required to establish precincts so that a precinct contains not more than 2,000 active voters or 2,300 active voters if the precinct is in a county designated as a vote center county. Provides that in addition to precinct boundaries, the name of a precinct as included in the federal decennial census data becomes the official name of the precinct. Requires that a ballot be arranged so that all candidates for the same office appear on the same page or the same screen. Permits the use of an electronic device at a precinct or vote center to display a sample ballot. Provides procedures for ballot layout when a candidate dies or is no longer eligible to appear on the ballot. Requires a circuit court clerk who receives an absentee ballot application from a voter who is not registered to vote in the county to send the application to the circuit court clerk of the county in which the voter is registered. Provides that the designation of a voter as an absent uniformed services voter, an overseas voter, or a voter with print disabilities expires January 1 after such a voter has submitted an absentee ballot application indicating such designation. Provides that, after December 31, 2024, all absentee ballots must be printed on security paper that incorporates features that can be used to authenticate the ballot. Provides that a voter must file residence documentation before 6 p.m. on election day. Provides that only the individuals who are permitted to be in the polls on election day are permitted to be in the room where early absentee voting is occurring. Provides that a county election board may send a signed form from a public test to the election division by electronic mail or fax. Provides that an application fee for certification of a voting system does not apply if the application is for a de minimis change. Authorizes the repurposing of an electronic poll book unit as a device to display sample ballots if the electronic poll book software is deleted from the unit. Requires absentee ballot counters to begin counting absentee ballots beginning at 6:00 a.m. on election day if certain conditions are met. Provides that if there is a discrepancy on political party primary ballot choice between the federal write-in absentee ballot and the federal post card application, the federal post card application supersedes the federal write-in absentee ballot. Provides that if an individual who holds a local office is elected to another term in that office and subsequently dies or is disqualified before the next term is scheduled to begin, a vacancy is created that must be filled as otherwise provided by law. Adjusts the schedule for conducting a post-election audit if a contest or recount has been filed affecting the county. Provides that a notice of death of a local office holder is required to be filed only with the circuit court clerk. (Under current law, notice must also be filed with the prosecuting attorney.) Exempts a member of a fiscal or legislative body from assuming certain duties during a vacancy. Requires a magistrate to depose

- HB1401 ASSESSMENT OF WIND POWER DEVICES (NEGELE S) Requires a public utility company that owns or operates a wind power device after a change in ownership of the wind power device to report, when filing its first statement of value and description of property with the department of local government finance (department), the valuation of the device at the same valuation amount that the previous owner reported on the previous owner's last annual report before the change in ownership if the valuation amount that the acquiring public utility company would otherwise enter on its first report is lower than the valuation amount at which the previous owner valued the wind power device before the change in ownership. Requires the new owner, for years subsequent to the first year after the change in ownership, to calculate and report the valuation of the wind power device in accordance with: (1) the statute concerning the taxation of public utility companies; and (2) rules prescribed by the department. Provides that for any year subsequent to the first year after the change in ownership of a wind power device, the department, in determining the just value of the property, shall not consider valuations determined by another governmental agency. Provides that these requirements do not apply to a public utility company that owns or operates one or more wind power devices and that has signed or countersigned an economic development agreement, or another financial

agreement, that is entered into: (1) with the county in which the public utility company's wind power devices are located; and (2) for the purpose of repowering, or upgrading the technology used in, the wind power devices; before a sale or transfer of the wind power devices. Requires the department to make necessary conforming changes to the annual report form. Requires the Indiana utility regulatory commission to include a provision in an order declining to exercise jurisdiction over a public utility company that: (1) owns or operates one or more wind power devices; or (2) plans to own or operate one or more wind power devices; requiring the public utility to notify the department of any change in ownership of the wind power devices. Requires that before November 1, 2024, and before November 1, 2025, the department shall prepare, submit in an electronic format, and present a report on: (1) the valuation of wind power devices; and (2) the department's progress in implementing the bill's provisions; to the interim study committee on energy, utilities, and telecommunications. Amends the Indiana Code provision that sets forth how the department is to determine the just value of the property of a public utility company to provide an exception from the specified procedures with respect to the determination of the just value of wind power devices.

HB1402 SEWAGE MANAGEMENT MATTERS (PRESSEL J) Provides that a wastewater utility that is not subject to the jurisdiction of the Indiana utility regulatory commission (commission) and that receives wholesale wastewater service from another wastewater utility may not: (1) disconnect from wholesale wastewater service provided by the other wastewater utility; and (2) construct a new wastewater treatment plant to serve its customers; unless the wastewater utility obtains the approval of the commission. Requires: (1) a regional sewage district; or (2) certain municipalities; at least 90 days before requiring the connection of a property to a sewer system and the discontinuance of use of the property's septic system, to notify the property's owner about a statutory exemption from the requirement to connect to the sewer system that may apply to the property. Requires the Indiana department of health to update: (1) all matters incorporated by reference in the department of health rules concerning residential onsite sewage systems (the rules); and (2) all industry standard practices reflected in the rules; upon the recognition of new bulletins, standards, specifications, and industry standard practices that supersede the bulletins, standards, specifications, and industry standard practices incorporated by reference or otherwise reflected in the rules. Provides that the technical review panel must approve the updates before the Indiana department of health may update the rules. Provides that a county or city ordinance that would restrict or prohibit the use of technology new to Indiana that has been approved by the technical review panel or that would otherwise vary from the rules: (1) if adopted after December 31, 2023, is not effective unless it is submitted to and approved by the technical review panel; and (2) if adopted before January 1, 2024, becomes void and unenforceable on January 1, 2024, unless, before January 1, 2024, the ordinance: (A) is readopted by the legislative body of the county or city; and (B) is submitted to and approved by the technical review panel.

HB1417 UTILITY DEFERRED COSTS AND ACCOUNTING PRACTICES (SOLIDAY E) Amends the Indiana Code provision concerning a system of accounting for public utilities to provide the following: (1) That a public utility, municipally owned utility, or not-for-profit utility may defer for consideration by the Indiana utility regulatory commission (IURC) and for future recovery costs incurred or to be incurred in a regulatory asset, to the extent that the specific costs are incremental and are not otherwise already included for recovery in the utility's rates. (2) That preapproval of the IURC is not required for the creation of a regulatory asset. (3) That a public utility, municipally owned utility, or not-for-profit utility may recover through the utility's rates over a reasonable period, as determined by the IURC, costs that are: (A) deferred under these provisions; and (B) found to be reasonable and prudent by the IURC. Amends the Indiana Code provision concerning a public utility's depreciation account and depreciation rates to provide the following: (1) That depreciation rates shall be calculated to recover a reasonable estimate of the future cost of removing retired assets of the public utility. (2) That in a proceeding in which the costs of a capital asset are being recognized for ratemaking purposes, a public utility may account for any asset retirement obligations and recover, through rates charged to customers, reasonably and prudently incurred costs associated with asset retirement obligations, to the extent the specific asset retirement obligation costs are incremental and have not been included in depreciation rates. (3) That the IURC shall make changes in a public utility's depreciation rates as necessary to reflect changes in: (A) the public utility's estimated asset retirement costs, including all reasonable and prudent costs of removing retired assets; and (B) the estimated retirement dates of the public utility's assets. Amends the Indiana Code chapter concerning federally mandated requirements for energy utilities to specify that recovery of the 80% of IURC-approved federally mandated costs that an energy utility may recover through a rate adjustment mechanism

must commence no earlier than: (A) the date of a final agency action regarding the federally mandated requirement; or (B) in the absence of a final agency action, the date on which the federally mandated requirement becomes effective.

HB1420 ELECTRIC TRANSMISSION FACILITIES (SOLIDAY E) Amends the chapter in the Indiana Code concerning electric transmission facilities as follows: (1) Specifies that the term "electric transmission facility" does not include a line installed solely for the purpose of connecting an electric generation facility to facilities owned by a public utility. (2) Repeals the definition of "local reliability electric transmission facility" and makes conforming changes. (3) Amends the provisions concerning an incumbent electric transmission owner's right of first refusal to construct, own, operate, and maintain certain electric transmission facilities, or upgrades to certain electric transmission facilities, as follows: (A) Specifies that the right of first refusal applies with respect to: (i) the construction; or (ii) upgrades; of electric transmission facilities if the construction or upgrades have been approved through a regional transmission organization (RTO) planning process. (B) Provides that if an electric transmission facility has been approved for construction through an RTO planning process: (i) each incumbent electric transmission owner that has a right to construct, own, operate, and maintain the electric transmission facility shall give written notice to the Indiana Utility Regulatory Commission (IURC), not later than 90 days after the construction is approved, regarding the incumbent electric transmission owner's intent to construct, own, operate, and maintain the approved electric transmission facility; and (ii) if an incumbent electric transmission owner gives notice of intent not to construct the approved electric transmission facility, another entity may seek to construct the approved electric transmission facility in accordance with the RTO planning process and the bill's provisions. (C) Provides that if an incumbent electric transmission owner gives to the IURC during a calendar year notice of its intent to construct, own, operate, and maintain an approved electric transmission facility, the incumbent electric transmission owner shall, not later than May 1 of the subsequent calendar year, provide the IURC with certain specified information. (D) Provides that an incumbent electric transmission owner that exercises its right to construct an approved electric transmission facility must, to the extent commercially practicable, use competitively bid engineering, procurement, or construction contracts that meet the specifications required by the incumbent electric transmission owner with respect to the facility.

HB1421 ENERGY PRODUCTION AND RESOURCES (SOLIDAY E) Requires the Indiana utility regulatory commission (IURC) to issue an order granting or denying an application for a certificate of public convenience and necessity (certificate) not later than 240 days after the filing of the application and the submission of the applicant's case in chief. Authorizes the IURC to issue a general administrative order establishing guidelines regarding the information to be included in an applicant's case in chief. Amends the statute providing certain financial incentives for energy utilities in connection with clean energy projects as follows: (1) Provides that a "clean energy project" includes a project to construct or repower, after July 1, 2011, a natural gas facility to displace electricity generation from an existing coal fired generation facility. (2) Provides that an "eligible business" for purposes of eligibility for incentives authorized under the statute includes a joint agency created under the Indiana Code chapter authorizing municipal electric utility programs. (3) Provides (through an amendment to a cross-referenced definition in the Indiana Code chapter governing the Indiana voluntary clean energy portfolio standard program) that for purposes of a clean energy project involving a renewable energy resource project, a "renewable energy resource" includes gas that is derived from the decomposition of organic matter and that: (A) is fully interchangeable with; or (B) can be combined with; conventional natural gas for purposes of generating electricity. (4) Provides that the IURC may provide an incentive under the statute for a project that the IURC finds to be just and reasonable (rather than "reasonable and necessary" under current law). (5) Provides that the IURC may not approve the timely recovery of costs and expenses incurred during the construction and operation of a project unless the IURC finds that recovery of the costs and expenses: (A) is just and reasonable; and (B) will result in a gross financing costs savings over the life of the project. (6) Eliminates the incentive authorizing up to three percentage points on the return on shareholder equity that would otherwise be allowed to be earned on certain clean energy projects. (7) Amends the language prescribing the time frame within which the IURC must issue a determination as to a project's eligibility for the available financial incentives to require the IURC to issue the determination not later than: (A) 120 days after the date of the application; or (B) the time frame prescribed in the bill for the IURC to grant or deny a certificate if a certificate is required for the project. Provides, for purposes of the oil and gas law (which requires the natural resources commission to adopt rules to prevent waste and prohibits actions in the extraction of coal bed methane that would waste commercially minable coal resources), that the term "waste" does not include capturing and destroying coal bed methane for a commercial purpose, including the generation of carbon credits.

HB1438 PUBLICATION OF LOCAL GOVERNMENT NOTICES (MILLER D) Provides that a towing service is subject to the same public notice advertising rates as a government agency if the service: (1) acts as an agent of a government agency; and (2) provides the notice required to dispose of abandoned vehicles or parts. Provides for the creation of a public notice task force (task force) to study notice publication statutes for the purpose of streamlining the process and maximizing value to Indiana citizens. Provides the following: (1) The task force must publish a report with its determinations and recommendations for legislation not later than December 1, 2023. (2) The task force expires December 31, 2023.

HB1454 DEPARTMENT OF LOCAL GOVERNMENT FINANCE (SNOW C) Provides that the term of any judgment funding bond with regard to either: (1) the city of Hobart; or (2) the Merrillville Community School Corporation; issued for the purpose of paying a property tax judgment rendered against Lake County for assessment year 2011, 2012, 2013, or 2014 shall be 25 years. Changes the sunset date for the procedure for selling certain bonds to July 1, 2025, and makes corresponding changes. Adds nonprofit building corporations created by a municipal corporation to a provision concerning the purchase of municipal securities by the treasurer of state (treasurer) and provides that such a security must have a stated final maturity of not more than 25 years after the date of purchase. Specifies expenses eligible for funding from the READI fund. Prohibits the department of local government finance (department) from approving a county reassessment plan before the assessor provides verification that the land values determination has been completed. Requires an assessor determining land values to submit the values to the county property tax assessment board of appeals (PTABOA). Establishes procedures for rental property assessment appeals. Provides that tangible property is exempt from property taxation if it is: (1) owned by a nonprofit entity; and (2) used by a nonprofit entity for a charitable purpose in the operation of a residential facility for the aged that is either: (A) registered as a continuing care retirement community; or (B) licensed as a health care facility; or both. Makes changes to a provision granting a property tax exemption to cemetery owners. Provides, for certain tangible property, that a determination of an appealed assessed value: (1) by a county or township official resulting from an informal meeting; (2) by a PTABOA resulting from an appeal hearing; or (3) by the Indiana board resulting from an appeal hearing; may be less than or equal to the original appealed assessed value at issue, but may not exceed the original appealed assessed value at issue. Provides that a qualified taxing unit located in Lake County that has experienced a property tax revenue shortfall in one or more tax years: (1) resulting from erroneous assessed valuation figures; and (2) which was, or will be, at least \$5,000,000, or 20% of its net tax levy, as a result of the erroneous assessed valuation amount; may apply to the treasurer for a loan from the counter-cyclical revenue and economic stabilization fund. Describes procedures, limitations, and uses for such loans. Prescribes a formula for determining a population growth of 150% for purposes of the exclusion from maximum ad valorem property tax levy limits for municipalities that meet specified criteria. Makes changes to statutes concerning maximum property tax levies for: (1) Sugar Creek Township Fire Protection District; and (2) Otter Creek Township. Amends an exclusion from the definition of "controlled project" for projects required by a court order. Provides that: (1) controlled environment agriculture property; and (2) health care property; are subject to a 2% circuit breaker credit. Defines "controlled environment agriculture property" and "health care property". Requires the land of controlled environment agriculture property to be classified and assessed as agricultural and the improvements to be classified and assessed as an agricultural greenhouse for property tax assessment. Extends through 2026 the authority for certain school corporations to allocate circuit breaker credits proportionately but imposes limitations with respect to school corporation eligibility to allocate such credits. Repeals the provision establishing the division of data analysis of the department. Prohibits a county auditor from denying an application for a standard deduction for a homestead because the applicant does not have a valid driver's license with the address of the homestead property. Provides that when a county auditor submits a certified statement of assessed value to the department, the county auditor shall exclude the amount of assessed value for any property located in the county for which an appeal has been filed and for which there is no final disposition. Provides for the expiration of certain supplemental county property tax levy provisions on the later of: (1) January 1, 2045; or (2) the date on which all bonds or lease agreements outstanding on July 1, 2023, for which a pledge of tax revenue is completely paid. Imposes reporting and publication requirements for those bonds and leases. Provides that a county auditor may appeal to the department to include the amount of assessed value under appeal within a taxing district for that calendar year. Removes the requirement that a PTABOA quorum must include at least one certified level two or level three assessor-appraiser. Prescribes additional duties for the department. Provides that, in the assessment of tangible property, confidential information may be disclosed to an official or employee of a county. Provides that the required annual visit between a representative of the department and each county may take place virtually. Requires a township or county assessor to document any changes made to the parcel characteristics of real property from the previous year's assessment in an assessment of the real property. Provides that a township may elect to establish a township firefighting fund and a township emergency services fund in lieu of the township firefighting and emergency services fund. Amends provisions excluding the part of a participating unit's proceeds of property taxes imposed in certain tax increment finance areas for an assessment date with respect to which the allocation and distribution is made that are attributable to property taxes imposed to meet the participating unit's obligations to a fire protection territory. Allows a nonprofit agricultural organization (organization) that offers health coverage to make an election to

pay adjusted gross income tax in lieu of the tax imposed on such an organization under current law and makes corresponding changes. Imposes (for purposes of the local income tax) restrictions on a county adopting body if the county adopting body makes any fiscal decision that has a financial impact to an underlying local taxing unit. Imposes taxes on the distribution of cigars. Amends the Indiana statute governing video service franchises to provide that a local unit to which a video service provider (provider) pays a franchise fee under the statute may not assess with respect to certain fees that could otherwise be imposed on the provider for the provider's occupation of or work within the public right-of-way. Provides that this prohibition does not restrict the right of the unit to impose on the provider any ad valorem taxes or other taxes of general applicability that the unit lawfully imposes on other businesses owning property or operating within the unit. Increases amounts for which state educational institutions and school corporations may award contracts. Makes changes to the geothermal device deduction. Removes provisions that require a county to meet certain qualifications before it is authorized to adopt an emergency medical services local income tax rate. Provides that if the sale price of distressed property exceeds \$50,000, a redevelopment commission must obtain two independent appraisals before purchasing the property. Provides (beginning on or after January 1, 2024) that the legislative b

HB1499 VARIOUS TAX MATTERS (THOMPSON J) Makes certain changes to the qualification requirements for the: (1) deduction for individuals who are at least 65 years of age; and (2) additional credit for certain homesteads. Provides that if a taxpayer presents an appraisal to the county property tax assessment board of appeals (county board) that meets specified requirements, the appraisal is presumed to be correct. Provides that if the county board disagrees with the taxpayer's appraisal, the county board may seek review of the appraisal or obtain an independent appraisal. Provides that after the assignment of value, the parties shall retain their rights to appeal to the Indiana board of tax review. Authorizes a county fiscal body to adopt an ordinance to provide property tax relief for property tax liability

attributable to homesteads for qualified individuals. Provides that a county may adopt a resolution to require a local income tax supplemental distribution to first be distributed and used to lower the county's levy freeze tax rate. Requires the department of local government finance (DLGF) to approve a county's request to decrease its levy freeze tax rate if the DLGF finds that the lower rate, in addition to the supplemental distribution amount determined under the resolution adopted by the county, would fund the levy freeze dollar amount. Provides that trailers with a declared gross vehicle weight of 3,000 pounds or less that are registered permanently after December 31, 2023, are excluded from the motor vehicle excise tax. Requires the department of state revenue (department) to annually provide each resident individual taxpayer who paid adjusted gross income taxes in the immediately previous taxable year a taxpayer receipt statement in an electronic format explaining how the individual taxpayer's taxes are being used. Requires the department, in consultation with the budget agency, to create and administer an Internet web page on which individual taxpayers may access an estimate of the allocation of their adjusted gross income taxes to various expenditure categories for the most recent state fiscal year based on the adjusted gross income taxes paid by the taxpayer. Specifies the information that the must be provided on the web page. Requires each local unit that imposes a food and beverage tax to annually report information concerning distributions and expenditures of amounts received from the food and beverage tax. Provides that food and beverage taxes currently authorized under IC 6-9 and that do not otherwise contain an expiration date (other than the stadium and convention building authority food and beverage tax and the historic hotels food and beverage tax) shall expire on the later of: (A) January 1, 2045; or (B) the date on which all bonds or lease agreements outstanding on May 7, 2023, are completely paid. Requires each local unit that imposes a food and beverage tax that is subject to the expiration provision to provide to the DLGF a list of each bond or lease agreement outstanding on May 7, 2023, and the date on which each will be completely paid. Requires the DLGF to publish the information on the gateway website. Declares the intention of the general assembly to only authorize local units to impose new food and beverage taxes based on specified criteria. Requires Monroe County (county) and the city of Bloomington (city) to each develop a written plan before December 1 of each year that includes the: (1) proposed use of food and beverage tax funds for the upcoming calendar year; (2) detailed use of food and beverage tax funds in the current and prior calendar years; and (3) county and city food and beverage tax receipts fund balances as of January 1 of the current calendar year. Specifies that the written plan must be submitted to the DLGF and be made available on the DLGF's computer gateway within 30 days of submission. Requires the county and the city to spend money from the applicable food and beverage tax receipts fund before April 1, 2024. Specifies that if the county and city do not spend money from the applicable food and beverage tax receipts fund before April 1, 2024, the ordinance to impose the food and beverage tax is void and food and beverage tax revenue may not be collected. Specifies that the county may not adopt a new food and beverage tax ordinance after March 30, 2024. Provides, if the county and city do not spend money from the applicable food and beverage tax fund, that the county auditor shall distribute, before July 1, 2024, the unexpended money in each food and beverage tax receipts fund according to a specified ratio. Removes language prohibiting the county or city legislative bodies from adopting an ordinance or a resolution requiring the expenditure of food and beverage tax collected without the approval of the advisory commission. - HB1639 WATERSHED DEVELOPMENT COMMISSIONS (AYLESWORTH M) Provides that the executives of one or more counties may adopt ordinances designating their counties as members of a proposed watershed development commission and that the proposed watershed development commission is established as a legal entity with the counties as its members if it is recognized by the natural resources commission. Allows a watershed development commission to be established for certain flood damage reduction, drainage, storm water management, recreation, and water infrastructure purposes, but provides that "water infrastructure purposes" excludes any drinking water project in a county or municipality. Requires the natural resources commission, in deciding whether to recognize a proposed watershed development commission, to answer certain questions. Provides that a nonmember county may become a member of an established watershed development commission if its membership is accepted by the

member counties and recognized by the natural resources commission. Requires the department of natural resources (department), with the approval of the natural resources commission, to certify the area of a member county that is within a watershed development commission's designated watershed. Provides that a watershed development commission may also have water quality purposes if its board develops a water quality improvement plan that is approved by the natural resources commission. Specifies that a water quality purpose, goal, project, or interstate agreement does not convey water quality regulatory authority to a watershed development commission. Provides for a watershed development commission to be governed by a board that includes: (1) the director of the department (or the director's designee); (2) the county surveyor of each member county; (3) another representative of each member county; and (4) one individual representing each second class city in each member county or, if there is no second class city in a member county, the most populous municipality in the member county. Establishes an advisory committee for each watershed development commission. Requires a watershed development commission to develop a flood damage reduction and drainage plan for its designated watershed. Grants a watershed development commission exclusive authority to perform drainage and flood damage reduction activities within the channel of the river that is the surface water outlet of its designated watershed. Authorizes a watershed development commission to enter into an interlocal cooperation agreement with an existing local governmental authority to apportion flood damage reduction authority and financial support between the two entities. Provides for the funding of a watershed development commission through an annual special assessment that may be imposed against each taxable parcel of real property located: (1) in a member county; and (2) within the designated watershed of the watershed development commission. Establishes maximum assessment levels and allows the board of a watershed development commission to reduce the special assessment to lower levels. Authorizes a member county to adopt any of three alternative methods of funding the watershed development commission. Prohibits the use of money collected from a special assessment for highway bridge repairs or reconstruction. Authorizes a watershed development commission to give preference to an Indiana business over an out-of-state business in contracting for public works. Establishes a procedure under which the Maumee River basin commission, the St. Joseph River basin commission, or the Upper Wabash River basin commission may be transformed into a watershed development commission, but provides that after transformation the watershed development commission cannot occupy the same territory as was occupied by the river basin commission. Provides that if the St. Joseph River basin commission is transformed into a watershed development commission, the members of the St. Joseph River basin commission become members of the watershed development commission's advisory committee.

- SB242 FLOODPLAIN MAPPING (LEISING J) Provides that, during the two years beginning July 1, 2023, floodplain mapping data created through the use of lidar (a remote sensing method used to generate information about the surface of land) may not be used by the floodplain administrator of a county or municipality when reviewing a permit application for a structure or construction activity in or near a floodplain unless: (1) the lidar-produced floodplain mapping data is provided by the department of natural resources (department) through the Indiana Floodplain Information Portal; and (2) the person applying for the permit requests or elects the use of the lidar-produced floodplain mapping data. Provides that, after June 30, 2025, lidar-produced floodplain mapping data may be used by the floodplain administrator of a county or municipality when reviewing a permit application for a structure or construction activity in or near a floodplain only: (1) if: (A) the local floodplain administrator is informed that the floodplain mapping data is lidar-produced floodplain mapping data; (B) the department conducts at least one public meeting in the county or municipality to provide information about how the floodplain mapping data was created; and (C) the legislative body of the county or municipality adopts or amends an ordinance to authorize the use of the lidar-produced floodplain mapping data; or (2) if: (A) the lidar-produced floodplain mapping data is provided by the department through the Indiana Floodplain Information Portal; and (B) the person applying for the permit requests or elects the use of the lidar-produced floodplain mapping data. Amends the law requiring local floodplain administrators to use the best floodplain mapping data available as provided by the department to make that law subject to the bar against using lidar-produced floodplain mapping data for the two years beginning July 1, 2023, and the conditions for the use of lidar-produced floodplain mapping data after June 30, 2025. Provides that a person who applies for a permit authorizing the construction of a structure or other construction activity in or near a floodplain may elect whether: (1) mapping data provided by the department; (2) a federal flood insurance rate map; or (3) an engineering study provided by the applicant; will be used by the local floodplain administrator when reviewing the person's permit application. Prohibits a local floodplain administrator to issue a permit authorizing the construction of a structure or

other construction activity in or near a floodplain if the issuance of the permit would affect the county's or municipality's eligibility to participate in the National Flood Insurance Program. Provides that the disclosure form that an owner must complete and submit to the prospective buyer before accepting an offer for residential real estate must disclose whether the real estate is located in a floodplain, as determined by a federal flood insurance rate map or a local floodplain map approved by the Federal Emergency Management Agency.

- SB298 UTILITY INFRASTRUCTURE IMPROVEMENT CHARGES (KOCH E) Amends the statute governing infrastructure improvement charges for water or wastewater utilities as follows: (1) Provides that in the case of a municipally owned utility or a not-for-profit utility, the adjustment amount to an eligible utility's basic rates and charges for the recovery of infrastructure improvement costs shall be recovered over a 12 month period, regardless of the amount of time over which the infrastructure improvement costs were incurred. (2) Provides that a utility may not recover through an infrastructure improvement charge any infrastructure improvement costs that are recovered by the utility through contributions in aid of construction. (3) Provides that when an eligible utility files a petition for an adjustment amount with the Indiana utility regulatory commission (IURC), the office of utility consumer counselor (OUCC) may examine information of the eligible utility, limited to confirming: (A) that the infrastructure improvements for which recovery is sought are eligible for cost recovery under the statute; and (B) the proper calculation of the proposed adjustment amount. (Existing law provides that the OUCC may examine the information of an eligible utility to confirm these matters, but does not specify that the OUCC's examination is limited to the confirmation of these matters.) (4) Provides that if the IURC finds that an eligible utility's proposed adjustment amount has not been calculated correctly, the IURC shall: (A) provide the correct calculation of the adjustment amount; and (B) allow the eligible utility to implement the corrected adjustment amount. (5) Amends the factors that the IURC may consider in determining the amount of allowable recovery of infrastructure improvement costs for a municipally owned utility or a not-for-profit utility to provide that the IURC may consider other expenses that the IURC considers appropriate, including money for the payment of any taxes that may be assessed against: (A) a municipally owned utility; or (B) a not-for-profit utility or its property; as applicable. (6) Specifies that in the case of a municipally owned utility or not-for-profit utility, the statute's cap limiting total adjustment revenues to 10% of an eligible utility's approved base revenue level applies over the course of each 12 month recovery period. (7) Amends the statute's provisions requiring an eligible utility to reconcile the difference between adjustment revenues and infrastructure improvement costs as follows: (A) Specifies

that the reconciliation must occur at the end of each 12 month recovery period. (B) Provides that in the case of a municipally owned utility or a not-for-profit utility, the adjustment amount shall be reset to zero after all previously approved infrastructure improvement costs have been collected.

SB412

NATURAL RESOURCES MATTERS (GLICK S) Provides, for purposes of the oil and gas law (which requires the natural resources commission to adopt rules to prevent waste and prohibits actions in the extraction of coal bed methane that would waste commercially minable coal resources), that the term "waste" does not include capturing and destroying coal bed methane for a commercial purpose, including the generation of carbon credits. Authorizes the division of water (division) of the department of natural resources (department) to file, in the deed records of a county recorder's office, an affidavit stating that a violation or deficiency that is the subject of an enforcement action for a structure that is classified by the department as a high hazard structure exists on a particular property in the county. Provides that the affidavit must: (1) include a sworn statement that a violation or deficiency exists on the property that is the subject of the notice of violation; (2) be recorded by the county recorder in the deed records of the county; (3) be designed and worded so as to provide notice to the public; and (4) include certain details about the property and current owner. Requires the department to file a release of the affidavit with the county when the violation or deficiency is resolved to remove the affidavit from the deed records of the county. Requires: (1) the division to pay for recording an affidavit; and (2) the department to pay for recording a release of the affidavit. Amends the law requiring the natural resources commission to adopt certain rules concerning lakes and reservoirs. Amends the flood control law, which requires a permit to create or maintain a structure, obstruction, deposit, or excavation in a floodway, to: (1) require a person who files a permit application to provide documentation of the person's ownership of the site where the proposed work will be performed or an affidavit from the owner of the site authorizing the performance of the proposed work; (2) allow an applicant to file an amendment to the person's permit application; and (3) provide that two or more persons may jointly apply for a permit. Amends the floodplain management law to: (1) require a permit for the creation, use, or maintenance of a structure, obstruction, deposit, or excavation on any state owned property or state managed property in a floodplain; and (2) provide that the lowest floor of any structure erected on state owned property or state managed property in a floodplain must be least two feet above the 100 year frequency flood elevation. Amends the timber buyers law to provide that information in a timber buyer's records about the timber buyer's transactions with a particular timber grower may be disclosed to that timber grower. Requires the natural resources commission to hold a meeting at least once every five years with officials of counties and municipalities for flood plain management purposes. Provides that after June 30, 2023, a person who applies to a local floodplain administrator for a permit authorizing a structure or construction activity in or near a floodplain may elect that either the best available data as provided by the department or an engineering study provided by the applicant that is reviewed and approved according to the unit's ordinance for flood hazard areas will be used in reviewing the person's application. Provides that officials of a county or municipality may voluntarily request to meet with the natural resources commission on a periodic basis to further the objectives of the flood plain management law. Requires the natural resources commission to review and timely respond to any request from a county or municipality to revise the delineation of a flood hazard area. Authorizes the Little Calumet River basin development commission to make bank improvements and remove sediment and flood-causing debris within the Little Calumet River basin development commission's jurisdiction, subject only to the authority of the United States Army Corps of Engineers. Requires the department to coordinate with local governmental agencies for purposes of a seawall or revetment permit process. Provides that if a local governmental agency does not approve or deny the seawall or revetment permit within 30 business days, the permit is automatically approved and considered issued to the person. Makes conforming changes.
